ADDENDUM #1

RFB #23-0059

3/4 TON 4WD SINGLE WHEEL REAR AXLE EXTENDED CAB TRUCK W/PLOW AND SPREADER

September 7, 2023

The following is to ensure that vendors have complete information prior to submitting a proposal. Here are some clarifications regarding the bid for a 3/4 Ton 4WD Single Wheel Rear Axle Extended Cab Truck W/Plow and Spreader.

Questions and/or statements of clarification are in **bold** font, and answers to specific questions are *italicized*.

1. Ford does not offer power front seat on work truck. Will a non-power seat qualify?

Answer: A non-power seat is fine.

2. We sell the Western snowplow & spreader. Both the plow & the spreader meet or exceed your specifications but I wanted to make sure you would accept our product before I bid.

Answer: The spreader is fine, the plow we specified must have hydraulic down pressure.

Firms interested in submitting a bid, must respond with complete information and **deliver on or before 1:45 pm, September 19, 2023**. Late bids will not be accepted and will not receive consideration for final award.
