GENERAL INFORMATION

As set forth in K.S.A. 38-2312, Kansas law allows for any records or files specified in the juvenile code to be expunged upon application to the court in the county in which the records or files are held. Such application may be made by the juvenile, if 18 years of age or older or, if the juvenile is less than 18 years of age, by the juvenile's parent or next friend.

ELIGIBILITY

Pursuant to statute, a juvenile is eligible to petition for expungement if:

1. The juvenile is 23 years of age or older; or
2. Two years have elapsed since the juvenile was discharged from the case; or
3. One year has elapsed since the juvenile was discharged from an adjudication for selling sexual relations; or
4. The juvenile was a victim of human trafficking, aggravated human trafficking or commercial sexual exploitation of a child, the juvenile's adjudication concerned acts committed by the juvenile as a result of such victimization (unless adjudication was for an offense listed under "INELIGIBILITY" below), and the juvenile has been discharged from the case.

If the juvenile is eligible, as set forth above, then the court must order expungement of the records and files if:

1. Since final discharge, the juvenile has not been convicted or adjudicated of a felony or misdemeanor other than a traffic offense and no proceedings are pending which seek such conviction or adjudication, and
2. The circumstances and behavior of the juvenile warrant expungement.

INELIGIBILITY

Kansas law **prohibits** expungement of records or files for the following offenses:

- Capital murder, murder in the first degree, murder in the second degree, voluntary manslaughter, or involuntary manslaughter
- Rape
- Indecent liberties with a child or aggravated indecent liberties with a child
- Aggravated criminal sodomy
- Indecent solicitation of a child or aggravated indecent solicitation of a child
- Sexual exploitation of a child
- Internet trading in child pornography or aggravated internet trading in child pornography
- Aggravated incest
- Endangering a child
- Abuse of a child
- An attempt to commit a violation of any of the offenses specified above

Any offender who is required to register as provided in the **Kansas offender registration act** is not eligible for expungement of any conviction or any part of the offender's criminal record while the offender is required to register as provided in the Kansas offender registration act. A registered drug offender may be eligible to petition for relief from the duty to register pursuant to K.S.A. 22-4908.

DOCUMENTS AND PROCEDURE

The following documents can be used as a guideline in preparing expungement pleadings. The forms include a petition, a personal information report and an order of expungement. You must complete the forms in their entirety. You can fill out the documents online and print them to submit.

In completing the documents, please provide the requested information in the order listed. Your name must appear as it was written on the original charge. When you have completed the forms, please send them to the Office of the District Attorney at the juvenile address.

Once the required records check has been completed and an attorney has reviewed your pleadings, facts of the case and your criminal history or background, a decision will be made regarding the appropriateness of expungement. If the District Attorney's Office agrees to the expungement, our attorney will sign the Order and return it to you for further handling. You will then need to obtain a judge's signature and file the Petition and Order with the Clerk of the Juvenile Court at 1900 E. Morris. The Clerk's office will advise you regarding how many copies of each document that they require. You may be required to pay a filing fee.

If the reviewing attorney objects to the expungement, you will be notified by mail and the documents you submitted will be returned to you. You have the right to file your petition with the court and set the matter for hearing before a Judge for determination of your eligibility for expungement. Should you decided to set the matter for hearing, please notify our office in writing no less than 21 days prior to the hearing date. That amount of time is necessary to provide victim notification as required by statute.

The expungement process takes approximately 6-10 weeks to complete. Please feel free to contact our office if you have questions.
