

# SLFRF Compliance Report - SLT-0781-P&E Report Q2 2022

## Report Period : Quarter 2 2022 (April-June)

---

### Recipient Profile

#### Recipient Information

Recipient UEI	U78SNHE76SE3
Recipient TIN	486000798
Recipient Legal Entity Name	County Of Sedgwick, Kansas
Recipient Type	Metro City or County
FAIN	
CFDA No./Assistance Listing	
Recipient Address	525 N Main Ste 823
Recipient Address 2	
Recipient Address 3	
Recipient City	Wichita
Recipient State/Territory	KS
Recipient Zip5	67203
Recipient Zip+4	
Recipient Reporting Tier	Tier 1. States, U.S. territories, metropolitan cities and counties with a population that exceeds 250,000 residents
Discrepancies Explanation	
Who approves the budget in your jurisdiction?	Other (Specify)
Is your budget considered executed at the point of obligation?	No
Is the Recipient Registered in SAM.Gov?	Yes

## Project Overview

Does your jurisdiction have projects to report as of this reporting period?	
---	--

### Project Name: Court Backlog - Sheriff - Cameras

Project Identification Number	SCSLFRF036
Project Expenditure Category	2-Negative Economic Impacts
Project Expenditure Subcategory	2.37-Economic Impact Assistance: Other
Status To Completion	Not Started
Adopted Budget	\$5,424,800.00
Program Income Earned	\$0.00
Program Income Expended	\$0.00
Total Cumulative Obligations	\$0.00
Total Cumulative Expenditures	\$0.00
Current Period Obligations	\$0.00
Current Period Expenditures	\$0.00
Project Description	Improve the security camera system to allow more functionality and increased safety for those in the detention facility. Installing additional cameras throughout the North end of the facility and replacing the door locks for the cells thus reducing the number of staff members needed. Additionally, creating a secondary master control station to help control and monitor movement with the facility.
What is the Total expected capital expenditure, including pre-development costs, if applicable	\$5,424,800.00
Type of capital expenditures, based on the following enumerated uses	Technology and tools

### Project Name: Court Backlog - Corrections - Remodel

Project Identification Number	SCSLFRF022
Project Expenditure Category	2-Negative Economic Impacts
Project Expenditure Subcategory	2.37-Economic Impact Assistance: Other
Status To Completion	Completed less than 50%
Adopted Budget	\$516,304.00
Program Income Earned	\$0.00
Program Income Expended	\$0.00
Total Cumulative Obligations	\$57,208.90
Total Cumulative Expenditures	\$26,431.90
Current Period Obligations	\$0.00
Current Period Expenditures	\$26,431.90

Project Description	The Community Corrections funding will expand the female dorm to assist with overcrowding and allow for increased participation in work release programs.
What is the Total expected capital expenditure, including pre-development costs, if applicable	\$421,889.00
Type of capital expenditures, based on the following enumerated uses	Improvements to existing facilities
Please identify the dollar amount of the total project spending that is allocated towards evidence-based interventions	\$0.00
Is a program evaluation of the project being conducted?	No
What Impacted and/or Disproportionally Impacted population does this project primarily serve?	1 Imp General Public
Is a program evaluation of the project being conducted?	No
Brief description of structure and objectives of assistance program(s), including public health or negative economic impact experienced	Renovations to the female dorm will allow Community Corrections to increase the capacity for the Work Release Program, which will assist with alleviating the court backlog.
Brief description of recipient's approach to ensuring that response is reasonable and proportional to a public health or negative economic impact of Covid-19	An increase in participation in divergence programs like work release help reduce crowded detention facilities with maintaining measures to protect the public safety of the community.

**Project Name: Court Backlog - Sheriff - Crisis Counselor**

Project Identification Number	SCSLFRF020
Project Expenditure Category	1-Public Health
Project Expenditure Subcategory	1.12-Mental Health Services
Status To Completion	Completed less than 50%
Adopted Budget	\$344,101.00
Program Income Earned	\$0.00
Program Income Expended	\$0.00
Total Cumulative Obligations	\$21,523.14
Total Cumulative Expenditures	\$16,940.92
Current Period Obligations	\$21,523.14
Current Period Expenditures	\$16,940.92
Project Description	The Sheriff Department funding will be used to bolster staffing and alleviate conditions that lead to mental strain on employees and detainees.
Please identify the dollar amount of the total project spending that is allocated towards evidence-based interventions	\$0.00
Is a program evaluation of the project being conducted?	No
What Impacted and/or Disproportionally Impacted population does this project primarily serve?	1 Imp General Public
Is a program evaluation of the project being conducted?	No
Brief description of structure and objectives of assistance	This program provides mental health services to detention

program(s), including public health or negative economic impact experienced	center staff to alleviate the stress of public health and economic impacts from the pandemic within the facility.
Brief description of recipient's approach to ensuring that response is reasonable and proportional to a public health or negative economic impact of Covid-19	The staff member hired to provide services will facilitate delivery of services to all staff members in an equitable and meaningful manner to address the prevalent and emerging well-being needs of the staff.

**Project Name: Community Navigator Program**

Project Identification Number	SCSLFRF016
Project Expenditure Category	2-Negative Economic Impacts
Project Expenditure Subcategory	2.37-Economic Impact Assistance: Other
Status To Completion	Completed less than 50%
Adopted Budget	\$1,500,000.00
Program Income Earned	\$0.00
Program Income Expended	\$0.00
Total Cumulative Obligations	\$178,200.00
Total Cumulative Expenditures	\$0.00
Current Period Obligations	\$178,200.00
Current Period Expenditures	\$0.00
Project Description	Recovery Connect is a community navigator program operated by the Wichita State University Public Policy and Management Center to serve as the County's recovery referral program that connects individuals, nonprofits, and small businesses with resources to help them recover from the negatives economic and public health impacts of the COVID-19 pandemic.
Please identify the dollar amount of the total project spending that is allocated towards evidence-based interventions	\$0.00
Is a program evaluation of the project being conducted?	No
What Impacted and/or Disproportionally Impacted population does this project primarily serve?	1 Imp General Public
Is a program evaluation of the project being conducted?	No
Brief description of structure and objectives of assistance program(s), including public health or negative economic impact experienced	The Community Navigator program is designed to provide individuals, small businesses, and non-profit entities within the County a point of contact for referrals to assistance in the response to and recovery from COVID-19.
Brief description of recipient's approach to ensuring that response is reasonable and proportional to a public health or negative economic impact of Covid-19	The needs of the community are many, and there are a multitude of programs and services available to address many of those needs. The Community Navigator helps to bridge the gap between those who need assistance and those who provide assistance in a manner that is much more effective and efficient than the County standing up multiple short-term programs.

**Project Name: Health Department Vaccination**

Project Identification Number	SCSLFRF037
-------------------------------	------------

Project Expenditure Category	1-Public Health
Project Expenditure Subcategory	1.1-COVID-19 Vaccination
Status To Completion	Completed less than 50%
Adopted Budget	\$4,265,454.00
Program Income Earned	\$0.00
Program Income Expended	\$0.00
Total Cumulative Obligations	\$1,593,300.58
Total Cumulative Expenditures	\$1,054,379.36
Current Period Obligations	\$1,593,300.58
Current Period Expenditures	\$1,054,379.36
Project Description	This funding will provide resources and support for Sedgwick County Health Department to continue no cost vaccinations at fixed sites and through mobile vaccination events.
What Impacted and/or Disproportionally Impacted population does this project primarily serve?	1 Imp General Public
Brief description of structure and objectives of assistance program(s), including public health or negative economic impact experienced	The Health Department will provide no-cost COVID-19 vaccination for County residents in order to prevent COVID-19 infections and possible death, caused by the COVID-19 virus and related variants.
Brief description of recipient's approach to ensuring that response is reasonable and proportional to a public health or negative economic impact of Covid-19	There continues to be a need for COVID-19 vaccination throughout our community. By offering no cost vaccination, the County is able to eliminate financial barriers for those who want or need to get vaccinated.

**Project Name: COVID Testing for Client and Persons in Custody**

Project Identification Number	SCSLFRF011
Project Expenditure Category	1-Public Health
Project Expenditure Subcategory	1.6-Medical Expenses (including Alternative Care Facilities)
Status To Completion	Not Started
Adopted Budget	\$103,772.00
Program Income Earned	\$0.00
Program Income Expended	\$0.00
Total Cumulative Obligations	\$0.00
Total Cumulative Expenditures	\$0.00
Current Period Obligations	\$0.00
Current Period Expenditures	\$0.00
Project Description	The Health Department will utilize funding to address public health response related to the COVID pandemic, to include providing testing and vaccination, responsive staffing to meet service delivery demands, a Disease Investigator, and associated administration and expenses. The Health Department will provide no-cost COVID-19 testing for County residents in order to detect and trace incidence of

	COVID-19 infections, and to prevent and/or reduce adverse health impacts, and possible death, caused by the COVID-19 virus and related variants.
--	--

**Project Name: Health Department Evaluation and Data Analysis**

Project Identification Number	SCSLFRF006
Project Expenditure Category	3-Public Health-Negative Economic Impact: Public Sector Capacity
Project Expenditure Subcategory	3.4-Public Sector Capacity: Effective Service Delivery
Status To Completion	Not Started
Adopted Budget	\$142,500.00
Program Income Earned	\$0.00
Program Income Expended	\$0.00
Total Cumulative Obligations	\$0.00
Total Cumulative Expenditures	\$0.00
Current Period Obligations	\$0.00
Current Period Expenditures	\$0.00
Project Description	The Health Department will utilize funding to address public health response related to the COVID pandemic, to include providing testing and vaccination, responsive staffing to meet service delivery demands, a Disease Investigator, and associated administration and expenses.

**Project Name: Health Department Other**

Project Identification Number	SCSLFRF004
Project Expenditure Category	1-Public Health
Project Expenditure Subcategory	1.14-Other Public Health Services
Status To Completion	Completed less than 50%
Adopted Budget	\$22,224.00
Program Income Earned	\$0.00
Program Income Expended	\$0.00
Total Cumulative Obligations	\$4,512.38
Total Cumulative Expenditures	\$4,512.38
Current Period Obligations	\$0.00
Current Period Expenditures	\$4,512.38
Project Description	The Health Department will utilize funding to address public health response related to the COVID pandemic, to include providing testing and vaccination, responsive staffing to meet service delivery demands, a Disease Investigator, and associated administration and expenses.
What Impacted and/or Disproportionally Impacted population does this project primarily serve?	1 Imp General Public
Brief description of structure and objectives of assistance	This component of funding is part of the Health Department's overall strategy for responding to the public

program(s), including public health or negative economic impact experienced	health emergency, and includes those expenditures that do not fit into the other Expenditure Categories related to the Public Health.
Brief description of recipient's approach to ensuring that response is reasonable and proportional to a public health or negative economic impact of Covid-19	The Health Department continues to adjust project needs and resource utilization based on the guidance of the CDC and State directives. Every effort is made to ensure that resources are retired when they are no longer needed for public health response and recovery efforts.

**Project Name: Health Department Other COVID Public Health Expenses**

Project Identification Number	SCSLFRF003
Project Expenditure Category	1-Public Health
Project Expenditure Subcategory	1.7-Other COVID-19 Public Health Expenses (including Communications, Enforcement, Isolation/Quarantine)
Status To Completion	Completed less than 50%
Adopted Budget	\$330,300.00
Program Income Earned	\$0.00
Program Income Expended	\$0.00
Total Cumulative Obligations	\$4,390.60
Total Cumulative Expenditures	\$705.64
Current Period Obligations	\$4,390.60
Current Period Expenditures	\$705.64
Project Description	The Health Department will utilize funding to address public health response related to the COVID pandemic, to include providing testing and vaccination, responsive staffing to meet service delivery demands, a Disease Investigator, and associated administration and expenses.
What Impacted and/or Disproportionally Impacted population does this project primarily serve?	1 Imp General Public
Brief description of structure and objectives of assistance program(s), including public health or negative economic impact experienced	The Health Department will provide no-cost COVID-19 testing for County residents in order to detect and trace incidence of COVID-19 infections, and to prevent and/or reduce adverse health impacts, and possible death, caused by the COVID-19 virus and related variants.
Brief description of recipient's approach to ensuring that response is reasonable and proportional to a public health or negative economic impact of Covid-19	There continues to be a need for COVID-19 testing throughout our community. By offering no cost testing, the County is able to eliminate financial barriers for those who want or need to get tested.

**Project Name: Premium Pay for County Employees**

Project Identification Number	SCSLFRF035
Project Expenditure Category	4-Premium Pay
Project Expenditure Subcategory	4.1-Public Sector Employees
Status To Completion	Completed
Adopted Budget	\$21,000,990.09
Program Income Earned	\$0.00

Program Income Expended	\$0.00
Total Cumulative Obligations	\$21,000,990.09
Total Cumulative Expenditures	\$21,000,990.09
Current Period Obligations	\$0.00
Current Period Expenditures	\$0.00
Project Description	Premium pay has been provided to County staff to address the risk incurred by eligible workers providing essential services to ensure the continuity of government services to the citizens of the County and respond to and mitigate the economic and public health impacts of the COVID-19 pandemic.
Sectors Designated as Essential Critical Infrastructure Sectors	County government employees.
Number of workers to be served	2,135
Premium Pay Narrative	Since the beginning of the pandemic, many County employees have regularly worked directly with the public or have had regular contact with co-workers and physical items that have been handled by others. The majority of these employees are low- and moderate-income persons or hold positions that are not exempt from the FLSA overtime provisions. However, the County recognizes that certain high-income eligible workers received premium pay due to the nature of the essential work they provided to ensure continuity of critical services to the County and its residents. These critical services included emergency response (police, fire, medical), care of people in the custody of the County, coroner and medical examination, treasury and appraisal services, operations of the county clerk, district attorneys, care for animals within the County's zoo, and providing for the mental health and public health of County residents. Despite the higher-income received, these employees took on additional burdens and made great personal sacrifices as a result of the COVID-19 pandemic in the delivery of essential work to the citizens of the County.
Number of workers to be served with premium pay in K-12 schools	0

**Project Name: Human Resources Recruitment Specialist**

Project Identification Number	SCSLFRF034
Project Expenditure Category	3-Public Health-Negative Economic Impact: Public Sector Capacity
Project Expenditure Subcategory	3.5-Public Sector Capacity: Administrative Needs
Status To Completion	Completed less than 50%
Adopted Budget	\$359,624.69
Program Income Earned	\$0.00
Program Income Expended	\$0.00
Total Cumulative Obligations	\$96,806.80
Total Cumulative Expenditures	\$55,619.80
Current Period Obligations	\$57,250.71

Current Period Expenditures	\$16,063.71
Project Description	The County is hiring a recruitment specialist to support the County's efforts to recruit, hire, and retain staff to support critical and essential roles throughout the County government which ensure continuity of government services at pre-pandemic levels.
Brief description of structure and objectives of assistance program(s), including public health or negative economic impact experienced	The County is hiring a recruitment specialist to support the County's efforts to recruit, hire, and retain staff to support critical and essential roles throughout the County government which ensure continuity of government services at pre-pandemic levels.
Brief description of recipient's approach to ensuring that response is reasonable and proportional to a public health or negative economic impact of Covid-19	The County has felt the economic impacts of COVID-19 as it has become difficult to recruit and retain staff. This resource will assist with filling open positions and returning staffing levels to pre-pandemic.
Number of FTEs rehired by governments under this authority	1

**Project Name: Court Backlog - Facilities - Remodel**

Project Identification Number	SCSLFRF025
Project Expenditure Category	2-Negative Economic Impacts
Project Expenditure Subcategory	2.37-Economic Impact Assistance: Other
Status To Completion	Completed less than 50%
Adopted Budget	\$10,334,276.30
Program Income Earned	\$0.00
Program Income Expended	\$0.00
Total Cumulative Obligations	\$1,842,163.58
Total Cumulative Expenditures	\$153,601.83
Current Period Obligations	\$1,679,275.58
Current Period Expenditures	\$151,241.83
Project Description	Funds will be utilized to remodel a portion of the courthouse to create additional courtrooms and appellate, judge and DA space. This process will displace current County administrative functions that will need to be moved to temporary leased facilities.
What is the Total expected capital expenditure, including pre-development costs, if applicable	\$6,232,887.00
Type of capital expenditures, based on the following enumerated uses	Improvements to existing facilities
Please identify the dollar amount of the total project spending that is allocated towards evidence-based interventions	\$0.00
Is a program evaluation of the project being conducted?	No
What Impacted and/or Disproportionally Impacted population does this project primarily serve?	1 Imp General Public
Is a program evaluation of the project being conducted?	No
	Remodeling the courthouse will create new courtrooms to

Brief description of structure and objectives of assistance program(s), including public health or negative economic impact experienced	facilitate more judges and exponentially increase the number of cases that can be heard, thus accelerating the rate at which the court backlog can be reduced.
Brief description of recipient's approach to ensuring that response is reasonable and proportional to a public health or negative economic impact of Covid-19	Current estimates would require four to five years to alleviate the court backlog to pre-pandemic levels. The addition of court rooms and the facilities necessary to expedite these cases are essential for the public safety and economic recovery of the County.

**Project Name: Court Backlog - Regional Forensic Science Center**

Project Identification Number	SCSLFRF023
Project Expenditure Category	2-Negative Economic Impacts
Project Expenditure Subcategory	2.37-Economic Impact Assistance: Other
Status To Completion	Completed 50% or more
Adopted Budget	\$42,250.00
Program Income Earned	\$0.00
Program Income Expended	\$0.00
Total Cumulative Obligations	\$39,152.94
Total Cumulative Expenditures	\$39,152.94
Current Period Obligations	\$16,025.00
Current Period Expenditures	\$16,025.00
Project Description	The Regional Forensic Science Center (RFSC) will utilize funding to train and qualify Firearms Examiners who will provide support for conducting forensic firearms examinations in support of the RFSC's effort to assist law enforcement in reducing gun violence.
Please identify the dollar amount of the total project spending that is allocated towards evidence-based interventions	\$0.00
Is a program evaluation of the project being conducted?	No
What Impacted and/or Disproportionally Impacted population does this project primarily serve?	1 Imp General Public
Is a program evaluation of the project being conducted?	No
Brief description of structure and objectives of assistance program(s), including public health or negative economic impact experienced	Providing for trained firearms experts aids in addressing the court backlog by ensuring that forensic lab work does not have to be sent out to State agencies. This further supports public safety measures that address the gun violence issues that are systemic to the economic impacts of COVID-19.
Brief description of recipient's approach to ensuring that response is reasonable and proportional to a public health or negative economic impact of Covid-19	Having access to a trained firearms expert will greatly assist with processing many of the violent crimes cases that are part of the court backlog.

**Project Name: ARPA Grants and Purchasing Staff**

Project Identification Number	SCSLFRF029
Project Expenditure Category	7-Administrative
Project Expenditure Subcategory	7.1-Administrative Expenses

Status To Completion	Completed less than 50%
Adopted Budget	\$1,090,526.00
Program Income Earned	\$0.00
Program Income Expended	\$0.00
Total Cumulative Obligations	\$132,158.40
Total Cumulative Expenditures	\$132,158.40
Current Period Obligations	\$13,888.56
Current Period Expenditures	\$13,888.56
Project Description	The County Finance Division is employing seven (7) full time staff designated to support the County's response, mitigation, and recovery efforts to the COVID-19 pandemic. These personnel perform essential administrative, financial, and grant management duties including oversight of all ARPA expenditures, procurement of goods and services, expense documentation, utilization data, and submission of all required reporting to the County, State, and U.S. Treasury. These positions are responsible for ensuring the County expends ARPA funds appropriately and accounts for them accurately per the Interim Rule, Final Rule, and Uniform Guidance.
Number of government FTEs responding to COVID-19 supported under this authority	3

**Project Name: ARPA Technical Assistance and Grants Management**

Project Identification Number	SCSLFRF027
Project Expenditure Category	7-Administrative
Project Expenditure Subcategory	7.1-Administrative Expenses
Status To Completion	Completed less than 50%
Adopted Budget	\$9,165,334.00
Program Income Earned	\$0.00
Program Income Expended	\$0.00
Total Cumulative Obligations	\$973,581.40
Total Cumulative Expenditures	\$369,721.44
Current Period Obligations	\$61,747.02
Current Period Expenditures	\$173,700.01
Project Description	The County is engaging the services of an external consulting firm to provide essential technical assistance, oversight, and compliance monitoring in the appropriate, reasonable, and eligible use of ARPA funding. The consulting firm will also assist the County in the preparation and submission of all financial and program reporting to funding authorities. Additionally, funds are being used to implement a grants management system that will be used to administer, monitor, and report on grants made by the County using ARPA funds. Finally, the County will engage the services for temporary staff to assist with purchasing and reporting as it relates to ARPA reporting.

**Project Name: Court Backlog - Sheriff**

Project Identification Number	SCSLFRF019
Project Expenditure Category	2-Negative Economic Impacts
Project Expenditure Subcategory	2.37-Economic Impact Assistance: Other
Status To Completion	Completed less than 50%
Adopted Budget	\$4,115,069.67
Program Income Earned	\$0.00
Program Income Expended	\$0.00
Total Cumulative Obligations	\$533,512.91
Total Cumulative Expenditures	\$48,660.49
Current Period Obligations	\$533,512.91
Current Period Expenditures	\$48,660.49
Project Description	The Sheriff Department funding will provide a more efficient intake process by allowing individuals to be rapidly tested for COVID. Additional security technology will be implemented to combat an increase in violent incidents among detainees.
Please identify the dollar amount of the total project spending that is allocated towards evidence-based interventions	\$0.00
Is a program evaluation of the project being conducted?	No
What Impacted and/or Disproportionally Impacted population does this project primarily serve?	1 Imp General Public
Is a program evaluation of the project being conducted?	No
Brief description of structure and objectives of assistance program(s), including public health or negative economic impact experienced	The court backlog has created a backlog in the County detention facility as well, leading to the need for additional resources and technology to ensure the safety and security of the staff and those in the County's custody. Additionally, changes in the District Court to elevate the backlog will require additional support and assistance from the Sheriff's department to ensure public safety throughout the court facility.
Brief description of recipient's approach to ensuring that response is reasonable and proportional to a public health or negative economic impact of Covid-19	The Sheriff Department is responding to the increased demand in the detention facility as well as the anticipated increase in demand that will accompany efforts at the District Court to alleviate the court backlog.

**Project Name: Court Backlog - District Attorney**

Project Identification Number	SCSLFRF018
Project Expenditure Category	2-Negative Economic Impacts
Project Expenditure Subcategory	2.37-Economic Impact Assistance: Other
Status To Completion	Completed less than 50%
Adopted Budget	\$3,617,677.13
Program Income Earned	\$0.00
Program Income Expended	\$0.00

Total Cumulative Obligations	\$184,487.56
Total Cumulative Expenditures	\$179,618.32
Current Period Obligations	\$76,826.71
Current Period Expenditures	\$72,090.89
Project Description	Funds will be used by the District Attorney to hire and staff critical roles in addressing the court backlog, which includes attorneys and technical professionals.
Please identify the dollar amount of the total project spending that is allocated towards evidence-based interventions	\$0.00
Is a program evaluation of the project being conducted?	No
What Impacted and/or Disproportionally Impacted population does this project primarily serve?	1 Imp General Public
Is a program evaluation of the project being conducted?	No
Brief description of structure and objectives of assistance program(s), including public health or negative economic impact experienced	Efforts within the District Court to help expedite the backlog of cases has led to a need for additional defense attorneys who are able to assist with the increased case loads.
Brief description of recipient's approach to ensuring that response is reasonable and proportional to a public health or negative economic impact of Covid-19	The District Court is instituting a series of measured and effective initiatives that are geared to expediting the backlog of cases in the court and bringing resolutions to the citizens whose cases have been delayed due to the pandemic.

### Project Name: Court Backlog - Courts

Project Identification Number	SCSLFRF017
Project Expenditure Category	2-Negative Economic Impacts
Project Expenditure Subcategory	2.37-Economic Impact Assistance: Other
Status To Completion	Completed less than 50%
Adopted Budget	\$10,503,789.02
Program Income Earned	\$0.00
Program Income Expended	\$0.00
Total Cumulative Obligations	\$351,444.84
Total Cumulative Expenditures	\$301,042.10
Current Period Obligations	\$159,621.62
Current Period Expenditures	\$114,642.40
Project Description	The Court will increase the capacity to dispose cases by increasing staff of defense attorneys, investigators, pro tem judges, and support staff; procure supplies, furniture, and equipment to support hearing cases; and other expenses to protect the health and safety of those with business before the Court.
What is the Total expected capital expenditure, including pre-development costs, if applicable	\$450,000.00
Type of capital expenditures, based on the following enumerated uses	Technology and tools
Please identify the dollar amount of the total project	

spending that is allocated towards evidence-based interventions	\$0.00
Is a program evaluation of the project being conducted?	No
What Impacted and/or Disproportionally Impacted population does this project primarily serve?	1 Imp General Public
Is a program evaluation of the project being conducted?	No
Brief description of structure and objectives of assistance program(s), including public health or negative economic impact experienced	This component of funding to address the court backlog will provide for resources that will alleviate the strain on the dockets of the sitting judges, including Alternative Dispute Resolution for family law cases and pro tem judges to hearing special docket hearings that do not need to go before a trial judge.
Brief description of recipient's approach to ensuring that response is reasonable and proportional to a public health or negative economic impact of Covid-19	The District Court is instituting a series of measured and effective initiatives that are geared to expediting the backlog of cases in the court and bringing resolutions to the citizens whose cases have been delayed due to the pandemic.

**Project Name: Cleaning Services for County Facilities**

Project Identification Number	SCSLFRF013
Project Expenditure Category	1-Public Health
Project Expenditure Subcategory	1.4-Prevention in Congregate Settings (Nursing Homes, Prisons/Jails, Dense Work Sites, Schools, Child care facilities, etc.)
Status To Completion	Completed less than 50%
Adopted Budget	\$533,914.12
Program Income Earned	\$0.00
Program Income Expended	\$0.00
Total Cumulative Obligations	\$67,065.42
Total Cumulative Expenditures	\$61,915.42
Current Period Obligations	\$0.00
Current Period Expenditures	\$2,060.00
Project Description	Funds will be utilized to continue the use of electrostatic cleaning treatments by an outsourced company to proactively clean and maintain high traffic areas. The type and frequency of cleaning applications may be adjust depending on CDC guidance.
Please identify the dollar amount of the total project spending that is allocated towards evidence-based interventions	\$0.00
Is a program evaluation of the project being conducted?	No
What Impacted and/or Disproportionally Impacted population does this project primarily serve?	1 Imp General Public
Is a program evaluation of the project being conducted?	No
Brief description of structure and objectives of assistance program(s), including public health or negative economic impact experienced	Funding is utilized to clean and sanitize the County's custodial facilities to minimize the exposure and spread of pathogens within this facilities.
	Due to the ongoing delays in processing the court backlog,

Brief description of recipient's approach to ensuring that response is reasonable and proportional to a public health or negative economic impact of Covid-19	individuals in the County's custody are at greater risk of exposure from pathogens if the detention facility is not cleaned and sanitized on a periodic basis.
---	--

**Project Name: Court Backlog - Corrections**

Project Identification Number	SCSLFRF021
Project Expenditure Category	2-Negative Economic Impacts
Project Expenditure Subcategory	2.37-Economic Impact Assistance: Other
Status To Completion	Completed less than 50%
Adopted Budget	\$485,244.35
Program Income Earned	\$0.00
Program Income Expended	\$0.00
Total Cumulative Obligations	\$53,590.21
Total Cumulative Expenditures	\$36,928.21
Current Period Obligations	\$0.00
Current Period Expenditures	\$0.00
Project Description	The Community Corrections funding will provide a faster process to intake new clients by employing new individuals to help with the process. Implementing a new diversion program to alleviate court backlog.
What is the Total expected capital expenditure, including pre-development costs, if applicable	\$48,132.00
Please identify the dollar amount of the total project spending that is allocated towards evidence-based interventions	\$0.00
Is a program evaluation of the project being conducted?	No
What Impacted and/or Disproportionally Impacted population does this project primarily serve?	1 Imp General Public
Is a program evaluation of the project being conducted?	No
Brief description of structure and objectives of assistance program(s), including public health or negative economic impact experienced	The Community Corrections funding will provide a faster process to intake new clients by employing new individuals to help with the process. Implementing a new diversion program to alleviate court backlog.
Brief description of recipient's approach to ensuring that response is reasonable and proportional to a public health or negative economic impact of Covid-19	Efforts within Community Corrections help to alleviate the court backlog and address the public safety issues that have been exacerbated by the economic impacts of COVID-19

**Project Name: Remote Work for County Staff**

Project Identification Number	SCSLFRF015
Project Expenditure Category	1-Public Health
Project Expenditure Subcategory	1.4-Prevention in Congregate Settings (Nursing Homes, Prisons/Jails, Dense Work Sites, Schools, Child care facilities, etc.)
Status To Completion	Completed less than 50%
Adopted Budget	\$297,524.93

Program Income Earned	\$0.00
Program Income Expended	\$0.00
Total Cumulative Obligations	\$80,422.36
Total Cumulative Expenditures	\$60,728.47
Current Period Obligations	\$1,627.43
Current Period Expenditures	\$2,627.09
Project Description	The remote work funding will provide new equipment and software to maintain statutory requirements and allow for long-term telework.
Please identify the dollar amount of the total project spending that is allocated towards evidence-based interventions	\$0.00
Is a program evaluation of the project being conducted?	No
What Impacted and/or Disproportionally Impacted population does this project primarily serve?	1 Imp General Public
Is a program evaluation of the project being conducted?	No
Brief description of structure and objectives of assistance program(s), including public health or negative economic impact experienced	Providing resources that allow for County employees to continue to work remotely allows for the County to maintain a continuity of services by minimizing potential exposure to pathogens.
Brief description of recipient's approach to ensuring that response is reasonable and proportional to a public health or negative economic impact of Covid-19	The County continues to maintain a remote work environment for certain employees and on an as needed basis to control and prevent the spread of COVID-19.

**Project Name: PPE for County Staff**

Project Identification Number	SCSLFRF012
Project Expenditure Category	1-Public Health
Project Expenditure Subcategory	1.5-Personal Protective Equipment
Status To Completion	Completed less than 50%
Adopted Budget	\$754,324.11
Program Income Earned	\$0.00
Program Income Expended	\$0.00
Total Cumulative Obligations	\$92,647.65
Total Cumulative Expenditures	\$35,943.85
Current Period Obligations	\$60,393.11
Current Period Expenditures	\$3,821.31
Project Description	The PPE funding will be used to maintain a 90-day supply of PPE.
What Impacted and/or Disproportionally Impacted population does this project primarily serve?	1 Imp General Public
Brief description of structure and objectives of assistance program(s), including public health or negative economic impact experienced	The PPE inventory is available to ensure the County can response to government or public incidents with an adequate supply of PPE.
Brief description of recipient's approach to ensuring that	Maintaining a supply of a PPE ensures availability of needed

response is reasonable and proportional to a public health or negative economic impact of Covid-19	supplies when they are needed without undue delay from supply chain or availability issues.

**Project Name: Risk Fit Tester**

Project Identification Number	SCSLFRF009
Project Expenditure Category	3-Public Health-Negative Economic Impact: Public Sector Capacity
Project Expenditure Subcategory	3.1-Public Sector Workforce: Payroll and Benefits for Public Health, Public Safety, or Human Services Workers
Status To Completion	Completed less than 50%
Adopted Budget	\$254,483.91
Program Income Earned	\$0.00
Program Income Expended	\$0.00
Total Cumulative Obligations	\$40,789.99
Total Cumulative Expenditures	\$40,075.74
Current Period Obligations	\$26,729.27
Current Period Expenditures	\$26,310.68
Project Description	The Risk Fit Tester (Respiratory Protection Program Specialist) is a full-time equivalent who will provide OSHA-level compliance to employee training and fit testing for masks designed to prevent the spread of airborne pathogens.
Brief description of structure and objectives of assistance program(s), including public health or negative economic impact experienced	The Risk Fit Tester (Respiratory Protection Program Specialist) is a full-time equivalent who will provide OSHA-level compliance to employee training and fit testing for masks designed to prevent the spread of airborne pathogens.
Brief description of recipient’s approach to ensuring that response is reasonable and proportional to a public health or negative economic impact of Covid-19	Prior to the COVID-19 pandemic, the County did not have a resource available to provide face mask fit testing and training across all departments. This role allows for the County to ensure each employee receives annual certification and training in face mask use to prevent the spread of airborne pathogens and help ensure the continuity of government services.
Number of government FTEs responding to COVID-19 supported under this authority	1

**Project Name: Public Health Communications**

Project Identification Number	SCSLFRF010
Project Expenditure Category	1-Public Health
Project Expenditure Subcategory	1.7-Other COVID-19 Public Health Expenses (including Communications, Enforcement, Isolation/Quarantine)
Status To Completion	Completed less than 50%
Adopted Budget	\$975,395.21
Program Income Earned	\$0.00
Program Income Expended	\$0.00

Total Cumulative Obligations	\$110,756.11
Total Cumulative Expenditures	\$79,935.13
Current Period Obligations	\$43,319.78
Current Period Expenditures	\$44,990.39
Project Description	The Strategic Communications Department will utilize a multi-media campaign to disseminate information to the public in Sedgwick County about issues related to the public health response to the COVID pandemic, including information on testing and vaccination as well as current and emerging best practices regarding the prevention of COVID-19 variants.
What Impacted and/or Disproportionally Impacted population does this project primarily serve?	1 Imp General Public
Brief description of structure and objectives of assistance program(s), including public health or negative economic impact experienced	The outreach component of the Health Department public health response to COVID-19 is focused on continuity of messaging to residents that provides accurate and up-to-date information on the current availability testing and vaccination, as well as best practice information on disease prevention and control.
Brief description of recipient's approach to ensuring that response is reasonable and proportional to a public health or negative economic impact of Covid-19	The Health Department continues to leverage guidance from the CDC and State health authorities on the best practices for COVID-19 response.

### Project Name: EMS Logistics

Project Identification Number	SCSLFRF008
Project Expenditure Category	3-Public Health-Negative Economic Impact: Public Sector Capacity
Project Expenditure Subcategory	3.1-Public Sector Workforce: Payroll and Benefits for Public Health, Public Safety, or Human Services Workers
Status To Completion	Completed less than 50%
Adopted Budget	\$179,488.25
Program Income Earned	\$0.00
Program Income Expended	\$0.00
Total Cumulative Obligations	\$17,251.07
Total Cumulative Expenditures	\$17,251.07
Current Period Obligations	\$9,760.17
Current Period Expenditures	\$9,760.17
Project Description	The Emergency Medical Services Logistics position is a full-time equivalent who will assist with call volume, provide delivery of PPE/medical supplies, and manage the inventory of supplies. This position will add to the logistics team and is designed for turnover prevention.
Brief description of structure and objectives of assistance program(s), including public health or negative economic impact experienced	The Emergency Medical Services Logistics position is a full-time equivalent who will assist with call volume, provide delivery of PPE/medical supplies, and manage the inventory of supplies. This position will add to the logistics team and is designed for turnover prevention.
	The COVID-19 pandemic put a strain on the staff's ability to

Brief description of recipient's approach to ensuring that response is reasonable and proportional to a public health or negative economic impact of Covid-19	maintain adequate inventory of critical supplies and ensure that those supplies were distributed in an efficient and effective manner. This role alleviates the strain on staff and provides essential services to County employees and community partners.
Number of government FTEs responding to COVID-19 supported under this authority	1

**Project Name: Health Department Payroll for Public Health Responding to COVID**

Project Identification Number	SCSLFRF002
Project Expenditure Category	3-Public Health-Negative Economic Impact: Public Sector Capacity
Project Expenditure Subcategory	3.1-Public Sector Workforce: Payroll and Benefits for Public Health, Public Safety, or Human Services Workers
Status To Completion	Completed less than 50%
Adopted Budget	\$11,436,129.85
Program Income Earned	\$0.00
Program Income Expended	\$0.00
Total Cumulative Obligations	\$3,027,168.51
Total Cumulative Expenditures	\$2,979,918.34
Current Period Obligations	\$1,005,264.17
Current Period Expenditures	\$958,014.00
Project Description	The Health Department will utilize funding to address public health response related to the COVID pandemic, to include providing testing and vaccination, responsive staffing to meet service delivery demands, a Disease Investigator, and associated administration and expenses. The Health Department will hire up to 100 employees necessary for the Health Department to continue to be primarily dedicated to delivery of response, mitigation, and recovery to the COVID-19 pandemic. These personnel will perform daily tasks necessary to provide no-cost testing and COVID-19 vaccinations as well as continuing health education, contract tracing, and other necessary COVID-19 medical support to the community.
Brief description of structure and objectives of assistance program(s), including public health or negative economic impact experienced	he Health Department will hire up to 100 employees necessary for the Health Department to continue to be primarily dedicated to delivery of response, mitigation, and recovery to the COVID-19 pandemic. These personnel will perform daily tasks necessary to provide no-cost testing and COVID-19 vaccinations as well as continuing health education, contract tracing, and other necessary COVID-19 medical support to the community.
Brief description of recipient's approach to ensuring that response is reasonable and proportional to a public health or negative economic impact of Covid-19	There is a wide range of public health measures that are still being utilized in the response to and recovery from the COVID-19 pandemic, including testing, vaccination, and community outreach. The resources hired with this funding are essential in maintaining a reasonable and measured response to the ongoing need of the County's residents.
Number of government FTEs responding to COVID-19 supported under this authority	87

**Project Name: Emergency Management Logistics**

Project Identification Number	SCSLFRF007
Project Expenditure Category	3-Public Health-Negative Economic Impact: Public Sector Capacity
Project Expenditure Subcategory	3.1-Public Sector Workforce: Payroll and Benefits for Public Health, Public Safety, or Human Services Workers
Status To Completion	Completed 50% or more
Adopted Budget	\$78,418.40
Program Income Earned	\$0.00
Program Income Expended	\$0.00
Total Cumulative Obligations	\$45,206.11
Total Cumulative Expenditures	\$45,206.11
Current Period Obligations	\$12,055.25
Current Period Expenditures	\$12,055.25
Project Description	The Emergency Management Logistics position is a full-time equivalent who will assist with delivery of PPE and medical supplies and manage the inventory of supplies.
Brief description of structure and objectives of assistance program(s), including public health or negative economic impact experienced	The Emergency Management Logistics position is a full-time equivalent who will assist with delivery of PPE and medical supplies and manage the inventory of supplies.
Brief description of recipient's approach to ensuring that response is reasonable and proportional to a public health or negative economic impact of Covid-19	The COVID-19 pandemic put a strain on the staff's ability to maintain adequate inventory of critical supplies and ensure that those supplies were distributed in an efficient and effective manner. This role alleviates the strain on staff and provides essential services to County employees and community partners.
Number of government FTEs responding to COVID-19 supported under this authority	1

**Project Name: Health Department COVID Testing**

Project Identification Number	SCSLFRF001
Project Expenditure Category	1-Public Health
Project Expenditure Subcategory	1.2-COVID-19 Testing
Status To Completion	Completed 50% or more
Adopted Budget	\$4,696,538.18
Program Income Earned	\$0.00
Program Income Expended	\$0.00
Total Cumulative Obligations	\$3,124,392.80
Total Cumulative Expenditures	\$2,957,822.37
Current Period Obligations	\$158,611.31
Current Period Expenditures	\$966,006.53
	The Health Department will utilize funding to address public health response related to the COVID pandemic, to include

Project Description	providing testing and vaccination, responsive staffing to meet service delivery demands, a Disease Investigator, and associated administration and expenses. The Health Department will provide no-cost COVID-19 testing for County residents in order to detect and trace incidence of COVID-19 infections, and to prevent and/or reduce adverse health impacts, and possible death, caused by the COVID-19 virus and related variants.
What Impacted and/or Disproportionally Impacted population does this project primarily serve?	1 Imp General Public
Brief description of structure and objectives of assistance program(s), including public health or negative economic impact experienced	The Health Department will provide no-cost COVID-19 testing for County residents in order to detect and trace incidence of COVID-19 infections, and to prevent and/or reduce adverse health impacts, and possible death, caused by the COVID-19 virus and related variants.
Brief description of recipient's approach to ensuring that response is reasonable and proportional to a public health or negative economic impact of Covid-19	There continues to be a need for COVID-19 testing throughout our community. By offering no cost testing, the County is able to eliminate financial barriers for those who want or need to get tested.
