ADDENDUM #1

RFB #24-2008

CAPITAL LEASING OPTIONS FOR FIRE APPARATUS

February 2, 2024

The following is to ensure that vendors have complete information prior to submitting a bid. Here are some clarifications regarding the bid for Capital Leasing Options for the acquisition of Fire Apparatus.

Questions and/or statements of clarification are in **bold** font, and answers to specific questions are *italicized*.

- 1. On the 7- and 8- year terms are you looking for fixed rate pricing or are you also entertaining variable pricing options?**

Answer: We only want to look at fixed interest rates.

- 2. Are we able to hold title on the fire truck until the lease is paid off or are you requesting unsecured financing options?**

Answer: The financier may hold title until the lease is satisfied.

- 3. Can you clarify what all you are needing for Bid Content from a local Bank? We are publicly traded so our financial information is available; however, I am not sure what you are looking for as far as references.**

Answer: References would ideally be other public institutions with whom they have entered into lease purchase agreements. Alternatively, any other large capital asset financing they have done.

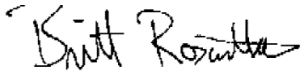

- 4. The RFP has a bid due date of 02/06/24 and a funding date/funds needed of 02/07/24. Please confirm if these dates are correct.**

Answer: Yes, those dates are correct.

Firms interested in submitting a bid, must respond with complete information and **email to britt.rosencutter@sedgwick.gov on or before 2:00 pm CST Tuesday, February 6, 2024**. Late bids will not be accepted and will not receive consideration for final award.
