The recommendation of Purchasing and Fleet Management and Facilities Maintenance is to **accept the bid from Parks Motors (Option 2) in the amount of \$47,500.00.**

This truck is used for the hauling of numerous pieces of replacement fixtures, equipment, tools, and building supplies. Also, the transporting of ice melt, landscaping stones, cut or trimmed tree limbs and stumps, and dirt, sand or other fill materials. A plow blade and salt spreader will be attached to this truck and it will be used for snow plowing and ice melt spreading for several different locations. It will also be used for the transportation of maintenance staff to approximately 20 different building sites across the county.

Notes:

Fleet evaluates all vehicles and equipment up for replacement before requesting bids.
