**PUBLIC HEARING**

**A. PUBLIC HEARING REGARDING THE 2001 SEDGWICK COUNTY SEWER DISTRICT BUDGET.**

"Commissioners, three weeks ago, on July 5th, we recommended a budget for the Sewer District of \$1,169,964. This would be an opportunity for the public to speak on that subject."

**Chairman Winters** said, "At this time, I'll open the public hearing to receive comments on the proposed 2001 budget. Is there anyone in the audience today who would like to address the Board of County Commissioners concerning the Sewer Budget for 2001. Is anyone here? Seeing no one, we'll close the public hearing and limit comment to staff and Commissioners. Commissioners, any other questions? At this time then, Madam Clerk, move on to Item B."

**B. AUTHORIZATION FOR THE COUNTY MANAGER TO PUBLISH A NOTICE OF HEARING ON THE PROPOSED 2001 SEDGWICK COUNTY SEWER DISTRICT BUDGET.**

**Mr. Buchanan** said, "Commissioners, the Sewer District budget needs to be published for \$1,200,000, with \$157,000 in budgeted ad valorem taxes, for a tax rate reduction of .35 mills. I'd recommend you approve that."

**Chairman Winters** said, "Thank you. Commissioners?"

**C. AGREEMENT FOR CONSTRUCTION OF PRIVATELY FINANCED SANITARY SEWERS IN LOT 38, BLOCK 2, BRENTWOOD VILLAGE ADDITION. DISTRICT #5.**

**Mr. Paul Taylor**, Director, Sewer Operations and Maintenance, Public Works, said, "In Item C, we are requesting your approval of an agreement for construction of privately financed sanitary sewers in lot 38, block 2, Brentwood Village Addition. For this project, the developer has opted to finance the design and construction privately. The agreement before you today is the standard agreement for such projects. It provides that the developer will design the project to County standards and then turn the sewers over to the County. Since it is a private project, we do not know the cost, naturally. The County will not be responsible for any of the cost either. Be happy to entertain questions."

**Chairman Winters** said, "All right, thank you. Commissioner Sciortino."

**Commissioner Sciortino** said, "Paul, will we be responsible for maintaining it, if something happens to it?"

**Mr. Taylor** said, "Yes. It is the same as a petition project, except that it is done privately. It is a small

enough project that they didn't want to petition it, but once it is built, then it will be turned over to us and become part of our system and we'll maintain it. I think it is about 100 to 200 feet or line and a man hole."

**Commissioner Sciortino** said, "Okay, that's all I have. Thank you."

**Chairman Winters** said, "Any other questions?"
