## **GENERAL INFORMATION**

Kansas statutes allow expungement of some conviction and diversions after a certain time frame has passed since the sentence or diversion was completed. Other offenses are not eligible for expungement. The statutes that apply are KSA 21-6614 for offenses committed on or after July 1, 2010 and KSA 21-4619 for offenses committed prior to July 1, 2010. The expungement statute in effect at the time of the offense governs.

The Office of the Sedgwick County District Attorney reviews for expungement only those cases that were prosecuted by this office. Requests for expungements on convictions prosecuted by other agencies, including the Wichita City Prosecutor's Office and other municipal court prosecutors, should be sent to that prosecuting agency or court of conviction for review.

## **ELIGIBILITY**

Per statute, some convictions are eligible for expungement after a required time has elapsed since the person satisfied the sentence imposed, diversion agreement or was discharged from probation, community correctional services program, parole, post-release supervision, conditional release or a suspended sentence, as follows:

Per statute, the following are eligible to be considered for expungement if **three** years have elapsed:

- Traffic or tobacco infractions
- Misdemeanors
- Class D or E felonies, severity level 6-10 non –drug offenses, severity level 4 drug offenses committed prior to July 1, 2012, and severity level 5 drug offenses

To following are eligible to be considered for expungement if **five** years have elapsed:

- Class A, B or C felonies or off-grid felonies
- Severity level 1-5 non-drug offenses, severity level 1-3 drug offenses, and severity level 4 drug offenses committed on or after July 1, 2012
- Vehicular homicide
- Driving with a canceled, suspended or revoked license
- Perjury
- Applying for a title of a motor vehicle under a false name or address
- Any crime punishable as a felony wherein a motor vehicle was used
- Failure to stop at a scene of an accident
- Failure to have motor vehicle insurance
- Violation of K.S.A. 21-3405b (vehicular homicide) prior to its repeal

A person convicted of **prostitution** or **selling sexual relations** may be eligible to be considered for expungement after **one** year has elapsed if such person can prove that at the time of the offenses he/she was acting under coercion caused by the act of another. Coercion means threats of harm or physical restraint against any person, a scheme, plan or pattern intended to cause a person to believe that failure to perform an act would result in bodily harm or physical restraint against any person, or the abuse or threatened abuse of the legal process.

First violation **DUI** offenses occurring on or after 1982 are eligible to be considered for expungement if **five** years have elapsed.

Second or subsequent violation **DUI** offenses occurring on or after July 1, 2014 but prior to July 1, 2015 are eligible to be considered for expungement if **seven** years have elapsed.

Second or subsequent violation **DUI** offenses occurring on or after July 1, 2006 to June 30, 2014, and on or after July 1, 2015 to present are eligible to be considered for expungement if **ten** years have elapsed.

A person who has completed a specialty court program is eligible to be considered for expungement immediately upon completion of such specialty court program if the crime of conviction would fall into the three-year lookback noted above. K.S.A. 20-173 defines specialty court as “a district court program that uses therapeutic or problem solving procedures to address underlying factors that may be contributing to a person’s involvement in the judicial system including, but not limited to, mental illness or drug, alcohol or other addictions.”

### **INELIGIBILITY**

Kansas statutes **prohibit** expungement of convictions of the following offenses:

- Rape
- Indecent liberties with a child or aggravated indecent liberties with a child
- Criminal sodomy or aggravated criminal sodomy

- Sexual battery when the victim was less than 18 years of age or aggravated sexual battery
- Driving a commercial vehicle while under the influence
- Convictions of offenses comparable to those above that occurred prior to July 1, 2011

If the appropriate time has elapsed that applies to the convictions, the person may nonetheless be **ineligible** for expungement if:

- The petitioner has been convicted of a felony in the past two years or has proceedings involving felony offense(s) pending or being instituted against the petitioner;
- The circumstances or behavior of the petitioner do not warrant the expungement;
- The expungement is not consistent with public welfare; or
- With respect to petitions seeking expungement of felony conviction, possession of a firearm by the petitioner is likely to pose a threat to the safety of the public.

Any offender who is required to register as provided in the **Kansas offender registration act** is not eligible for expungement of any conviction or any part of the offender's criminal record while the offender is required to register as provided in the Kansas offender registration act. A registered drug offender may be eligible to petition for relief from the duty to register pursuant to K.S.A. 22-4908.

### **DOCUMENTS AND PROCEDURE**

The following documents can be used as a guideline in preparing expungement pleadings. The forms include a petition, a personal information report and an order of expungement. You can fill out the documents online and print to submit.

In completing the documents, please provide the requested information in the order listed. Your name must appear as it was written on the original charge. A separate petition and order must be completed for every case you want to have expunged. When you have completed the forms, please send them to the Office of the District Attorney at the downtown address.

Once the required records check has been completed and an attorney has reviewed your pleadings, facts of the case and your criminal history or background, a decision will be made regarding the appropriateness of expungement. If we agree to the expungement, our attorney will sign the Order and return it to you for further handling. You will then need to obtain a judge's signature and file the Petition and Order with the Clerk of the Criminal Court on the 7<sup>th</sup> floor of the Sedgwick County Courthouse, 525 North Main Street, Wichita. The Clerk's office will advise you regarding how many copies of each document that they require. You may be required to pay a filing fee.

If the reviewing attorney decides to object to the expungement, you will be notified and the documents you submitted will be returned to you. You have the right to file your petition with the court and set the matter for hearing before a Judge for determination of your eligibility for expungement. Should you decided to set the matter for hearing, please notify our office in writing no less than 21 days prior to the hearing date. That amount of time is necessary to provide victim notification as required by statute.
