Mailing of Value Notices

The Sedgwick County Appraiser's Office will mail only value notices that experience a change in the appraised value or classification from 2015.

Approximately 128,000 real property value notices will be mailed for 2016, which is about 58% of all properties in Sedgwick County.

This alternative method of notification resulted in an estimated savings of \$49,400.

Accessing Value Notices If Your Value or Classification Did Not Change

Property owners who do not receive a notice in the mail may view the appraisal information for their property beginning March 1st online at www.sedgwickcounty.org. Also, after March 1st, property owners may print a notice from the website, which will include instructions on how to file an appeal.
