Dee E. Staudt, LMSW, LCAC
Director

March 28, 2014

Please be advised that you may be eligible to receive local funding to assist with disability related support needs. This funding may be used to address disability related needs causing financial hardship to individuals who have no other access to funding/support. Types are listed below:

Family Support: \$3,000 cap per person/year. This funding can be used for diapers (age 4 and over), wipes, camp, respite, nutritional supplements and much more. Please remember this funding is first come first serve until gone.

One Time Funds: \$10,000 cap per person/year. This funding is used to fund dental services over \$1,000, home modifications, wheelchairs, van lifts and assistive technology not covered by Medicaid and private insurance.

Incidental Consumer Supports: \$1,000 cap per person/year. This is a flexible pool of money that can be used for a wide variety of items/services such as home modifications, assistive technology, and a variety of dental services including extractions, sedation or cleanings that are not covered by Medicaid or private insurance.

Sliding Fee Scale Update: The SCDDO implemented a sliding fee scale in 2014 which may have resulted in individuals paying for a portion of their requested funding. Funding requests should include an explanation of any financial hardship that may result due to the requirement to pay a portion or lump sum of the cost of services/items requested.

If the sliding fee scale implementation has caused financial hardship and you would like the SCDDO to reconsider mitigating factors please submit notice by utilizing the contact information below.

If you believe you have a current need and would like to submit a request please do not hesitate to contact your Targeted Case Manager (TCM) directly. If you do not have a TCM please contact us at 316-660-7630 to "request funding." You may also visit the SCDDO web page at www.sedgwickcounty.org.
