## **PREPAREDNESS TRAINING EXERCISE**

(Sedgwick County, Kan.) -- The anniversary of the events that took place on September 11, 2001 reminds us of the importance of emergency preparedness. Sedgwick County Emergency Management strives to maintain a state of heightened preparedness in the event of a natural or man-made disaster.

At 11 a.m. today, the emergency management team will host an exercise for which the Emergency Operations Center (EOC) will be fully activated. This drill is designed to test the response of the team that will serve in the EOC during an emergency. First responders in the field, such as firefighters, law enforcement officers and paramedics, will not participate in this exercise.
