SEDGWICK COUNTY WASTE TIRE COLLECTION

(Sedgwick County, Kan.) – Help eliminate standing water, which is ripe for mosquito breeding, and toss your tire waste at the same time. Sedgwick County Environmental Resources will host a FREE tire collection event April 16-18 at the Sedgwick County West Yard, 4701 S. West St., Wichita, from 9 a.m. to 4 p.m.

Only tires from Sedgwick County businesses and governments will be accepted on April 16. Tires from businesses that accept payment for tire disposal will not be accepted.

Only tires from Sedgwick County residents will be accepted on April 17 and 18. No tires from businesses will be accepted on these days.

- No semi-truck loads
- Limit 100 tires per load
- Tires on rims are acceptable
- Be prepared to unload your own tires

For more information, visit www.sedgwickcounty.org or call Environmental Resources at 316-660-7200.
