SEDGWICK COUNTY COMMITTED TO FINDING TRAINING CENTER SOLUTION

(Sedgwick County, Kan.) – Sedgwick County believes that a joint law enforcement training center is an efficient and effective use of resources. A Request for Proposals (RFP) for a move in ready building for a law enforcement training center was published on August 14, 2015 and Sedgwick County received proposals by November 24, 2015. Sedgwick County is following its RFP process which has not yet been completed. The County is still considering several proposals for a joint training center. At this point, Sedgwick County is committed to working with its partners to find a solution for this training center.
