The response has been
GREAT,
so let's keep it going!

And we've added
an additional
drop-off location!

The weather is getting warmer but there are still those in need. Now is your chance to clean out your closet and *share the warmth* with children in our area.

children's coats!

* Donations accepted now **through the end of June!**

* New or gently used is fine, **they will be dry cleaned.**

* All items will be donated to The Salvation Army.

 The Salvation Army provides **over 5,000 winter clothing items** to Sedgwick County area families each year.

* Also collecting **gloves, hats,** and other cold weather items.

* Drop-off Locations:
