5 ITEMS**

**1. ROAD IMPROVEMENTS -- PUBLIC WORKS**

**FUNDING -- PUBLIC WORKS**

(Request sent to eight vendors)

RFB #16-0038 S/C pending

Engineer's Estimate: \$ 1,672,843.50	<b>Andale Construction, Inc.</b>			
Road Improvement - 93rd St N. between Meridian and Broadway (R338)	<b>\$1,397,022.60</b>			
Bid Bond	<b>Yes</b>			
No Bids	Mies Construction	Nowak Construction	Dondlinger & Sons	Klaver Construction
	Vogts-Parga Construction	Peltz Companies	Pearson Construction	

On the recommendation of Kristen McGovern, on behalf of Public Works, Tim Kaufman moved to **accept the bid from Andale Construction, Inc., in the amount of \$1,397,022.60.** Jennifer Dombaugh seconded the motion. The motion passed unanimously.

This project includes grading, Roller Compacted Concrete (RCC) Surfacing, Reinforced Concrete Box (RCB) culverts, guardrail, pavement marking, and seeding on 93rd Street North between Meridian and Broadway.

This is a joint construction project with the City of Valley Center. The City of Valley Center approved funding for this project on June 7, 2016.

The approval of this item will be contingent on the approval of funding agreement and CIP amendment, both to be considered at the June 22nd BoCC meeting under the Consent Agenda.

Vendors were contacted to find out why they didn't bid. There are more projects available to bid than crews to do the work.

**2. 2016 BOND TEKK (R175J) -- PUBLIC WORKS**

**FUNDING -- R175 PREVENTIVE MX-16**

RFB #16-0058 S/C #8000087826

Engineer's Estimate: \$1,000,189.75	Flint Hills Materials	APAC - Kansas, Inc., Shears Division	<b>Cornejo &amp; Sons, LLC</b>
Bonded Dense - Graded Hot Mix Asphalt Overlay & Pavement Marking on selected roads in Sedgwick County, Kansas	\$590,053.97	\$619,529.39	<b>\$550,064.19</b>
Bid Bond	Y	Y	Y
No Bids	Wildcat Construction Co., Inc.	B & B Bridge Company, L.L.C.	King Construction Co., Inc.
	Mies Construction Inc.	Unruh Excavating, L.L.C.	Dondlinger & Sons Construction
	Reece Construction	Nowak Construction	Cillessen & Sons
	Shilling Construction Co., Inc.	Bob Bergkamp Construction	

On the recommendation of Kristen McGovern, on behalf of Public Works, Jennifer Dombaugh moved to **accept the low bid from Cornejo & Sons, LLC, in the amount of \$550,064.19.** Tim Kaufman seconded the motion. The motion passed unanimously.

Bond Tekk is a dense-graded BM-1(bituminous mix) of finer aggregate which creates a 1" overlay for a smoother driving surface. It will be used to fill ruts and revitalize surfaces for approximately 8.1 of miles selected county roads.

Question - Are we sure they understand the scope of work? David Spears explained there are two reasons: 1) There is a new bidder, Flint Hills Materials. There is a bid list and the competition saw this new bidder and we believe that made their prices competitive. 2) The State of Kansas this year, instead of 1200 miles of this type of work, will be 200 miles. In Sedgwick County we will do 120 miles. Vendors are competing for less work than the previous year.

On the recommendation of Kimberly Evans, on behalf of the Elections Office, Jennifer Dombaugh moved to **accept the bid from Mainline Printing, Inc. at the rates listed for one (1) year with two (2), one (1) year options to renew.** Tim Kaufman seconded the motion. The motion passed unanimously.

The Elections Office has the majority of their ballot printing done in-house, however it is necessary to have an external vendor on-call for these services in the event of equipment failure/malfunction or staffing issues that may arise during the time ballots are printed.

These services are in place as a back-up solution or to supplement the ballots being printed in-house, therefore no estimated annual cost is available at this time.

Question - Do you know why we received only one bid, and so many no bids? Kim Evans explained that ballot printing is a very tedious process and that there are registration marks which must be printed exactly so that the voting equipment will read the ballots. Most vendors do not have the capacity to attain the standards that are required and therefore do not want to take on the liability for those projects.

**BOARD OF BIDS AND CONTRACTS JUNE 16, 2016**

On the recommendation of Kimberly Evans, on behalf of the MAPD, Tim Kaufman moved to **accept the low bid from Electronic Contracting Company, Inc. in the amount of \$90,182.45.** David Spears seconded the motion. The motion passed unanimously.

This project will consist of installing new equipment and transferring some existing equipment to the MAPD conference room that will be located at 271 W. 3rd.

Question - Just for clarification, is this for MAPD or MABCD? Kim Evans confirmed that this project is for the MAPD, the City of Wichita's side of the newly reorganized department.
