Executive Summary

At the end of each quarter, the Division of Finance reports on Sedgwick County's financial condition. The following quarterly financial report provides an analysis of the fiscal year, ending December 31, 2023. The information contained in this report is based on unaudited financial statements and excludes adjustments that may be required by the County's auditors at a later date.

The first section of the report outlines financial information on a budgetary basis for applicable fund types, including comparisons of financial activities with the previous fiscal year and the adopted and revised budgets. The second section of the report outlines the financial status of active capital projects. The final section consists of fund statements which provide a broad overview of the County's finances in a manner similar to a private-sector business based on Generally Accepted Accounting Principles (GAAP).

When reporting financial status, the County typically aggregates information into one of several possible groupings: General Fund, property-taxthe supported funds, other operating funds, or all operating funds. The General Fund is the County's primary operating fund and accounts for County services that do not have a designated fund of their own. The General Fund includes most general government and law enforcement functions and receives the broadest variety of revenues. Currently, the operations of 46 departments are funded from the General Fund. The County has four other propertytax-supported funds, including Bond & Interest, Aging, Highway, and Wichita State University. Each fund provides services related to a specific function and the property taxes levied in each fund are used only to support those specific functions. References to 'property-tax-supported funds' mean the General Fund plus all other property-taxsupported funds. The County has 31 budgeted other operating funds which are not supported directly with property taxes, including grant funds, enterprise funds and internal service funds. References to 'operating funds' mean the property-tax-supported funds plus the other operating funds. Sedgwick County Fire District 1 is a distinct governmental entity that is operated as a part of Sedgwick County government and levies property taxes, but it is reported separately.

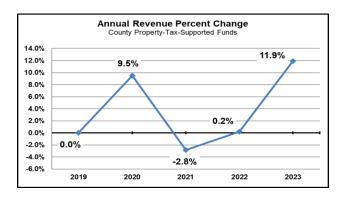

The 2023 Sedgwick County budget of \$645.9 million was presented as the economy continues in an unpredictable period, with various economic indicators in flux and seemingly contradictory at times. While the Federal government is taking action to attempt to stabilize the economy, the Sedgwick County Board of County Commissioners identified some key priorities as part of the County's 2023 budget process: address workforce shortages with compensation adjustments to preserve service levels while maintaining a level property tax rate.

The 2023 budget was developed to ensure that the compensation adjustments could be implemented as well as adding resources for increases in the costs of doing business, as well as limited funding for strategic additions to departmental budgets.

The 2023 budget was based on the evaluation of services and additional funding requests, along with the goals and priorities identified by the BOCC with a focus on continued implementation of the multiyear compensation strategy. Funding for increased costs of doing business were added, as well as strategic increases in funding for attorney fees, employee recruitment and hiring, and mental health initiatives.

This quarterly report provides an analysis of financial trends through 2023 compared to 2022. Increased revenues over 2022 were recorded in several categories, uses of money and property, current property taxes, other revenue, charges for services, reimbursements, local retail sales and use taxes, fines and forfeitures, and back property taxes. The increases were partially offset by a decrease in motor vehicle taxes, licenses and permits, and intergovernmental revenues. Expenditures increased in transfers out, contractuals, and personnel. Increases in expenditures were partially offset by decreases in debt service, equipment, commodities, and capital improvements. These changes are explained within this report.

Overall, the financial report illustrates continued modest improvement for County property-tax-supported funds compared to 2022.

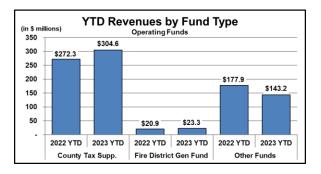

- Revenues totaled \$304.6 million for County property-tax-supported funds (excluding Fire District 1). This represents an increase of \$32.3 million (11.9 percent) compared to 2022.
- Expenditures totaled \$304.7 million for County property-tax-supported funds (excluding Fire District 1). This represents an increase of \$35.9 million (13.4 percent) compared to 2022.
- For all County property-tax-supported funds (excluding Fire District 1), ending fund balances decreased by 0.1 million. The year-end General Fund balance increased by \$2.2 million (2.2 percent). The increase is primarily the result of more strategic investment strategies and rising interest rates.

For more detail on each individual fund, please review the individual "schedules of budgetary accounts" section following the executive summary.

Revenue Highlights:

Revenue collections for all operating funds through 2023 increased 1.7 percent (\$8.1 million) compared to the same timeframe last year. In County property-tax-supported funds, collections increased \$32.3 million (11.9 percent) compared to 2022.

Year-to-date (YTD) Revenue by Fund Type

County property-tax-supported funds increased 11.9 percent (\$32.3 million) compared to 2022. The most significant increases occurred in uses of money and property (\$14.1 million), current property taxes (\$11.0 million), other revenue (\$4.5 million), charges for services (\$2.6 million), reimbursements (\$1.7 million), local retail sales and use taxes (\$1.0 million), fines and forfeitures (\$0.9 million), and back property taxes (\$0.3 million). The increase in uses of money and property (\$14.1 million) is due to an increase in investment income (\$10.5 million) as the result of more strategic investment strategies and rising interest rates, as well as an increase in interest on current taxes (\$3.2 million). The increase in current property taxes is due to an increase in assessed valuation of 7.3 percent for the current budget year (\$11.0 million). The increase in other revenue is primarily due to an increase in transfer in - operating (\$4.5 million) for the transfer of remaining fund balances from the COMCARE, and Noxious Weeds Tax funds. The increase in charges for services (\$2.6 million) is due to a new law passed in 2023 (Senate Bill 228) that provides reimbursement for the Sheriff's costs of housing prisoners who are awaiting competency hearings (\$1.5 million). Increases in charges for services are also due to fees collected by Emergency Medical Services (EMS) for Medicaid fees (\$1.2 million), setoff program charges (\$0.6 million), and building rental revenue collected by the Department of Corrections for inmate housing (\$0.1 million). The increases in charges for services were partially offset by decreases in officer fees collected by the

Register of Deeds Office as a result of a reduction of 18.2 percent in number and length of documents processed in 2023 compared to 2022 (\$0.8 million) and a decrease in reimbursement for video visitation at the Adult Detention Facility (\$0.2 million). The increase in reimbursements is due to the payment of the final administrative charges from COMCARE, EMS, and Noxious Weeds Tax Funds in 2023 as a result of their consolidation into the General Fund. compared to no administrative charges in 2022 (\$1.6 million). The increase in local retail sales and use taxes (\$1.0 million) is due to improved, but moderating, economic activity. The increase in fines and forfeitures is due to an increase in opioid settlement revenue (\$1.0 million) that will be collected in a new special revenue fund going forward. The decrease in back property taxes (\$0.3 million) is due to greater revenue collected on behalf of the County by Klenda Austerman from the sale of foreclosed properties as a result of the increase in delinquent personal property taxes, as well as the prior year tax re-class by the Kansas Court of Tax Appeals which lead to a reduction of revenue and a timing delay in payments posted.

The increases were partially offset by decreases in motor vehicle taxes (\$2.3 million), license and permits (\$1.3 million), and intergovernmental revenue (\$0.1 million). The decrease in motor vehicle taxes (\$2.3 million) is due a decrease in motor vehicle registrations. The decrease in licenses and permits (\$1.3 million) is due to a decrease in permits issued by the MABCD for commercial and residential projects through 2023 compared to 2022. The decrease in intergovernmental revenue (\$0.1 million) is due to a decrease in reimbursements to the Department of Corrections from the Kansas State Department of Education (KSDE) School Nutrition Program (SNP) for the Juvenile Detention Facility (JDF).

<u>Fire District 1</u> revenue comes primarily from property taxes. Through 2023, revenue collections increased \$2.4 million (11.5 percent) when compared to 2022. Assessed value growth was 5.6 percent for the 2023 budget.

All other operating funds include grants, enterprise and internal service funds, and non-property-tax special revenue funds. All other operating funds decreased \$34.7 million (19.5 percent) through 2023. The most significant decreases occurred in intergovernmental revenue in non-property-tax funds

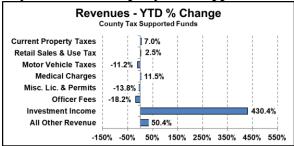

(\$45.9 million) and charges for services in enterprise and internal service funds (\$0.5 million). The decrease in intergovernmental revenue in nonproperty-tax funds is due to the allocation of Federal American Rescue Plan Act (ARPA) revenues previously received in 2021 and 2022, which may be obligated through 2024, as well as a decrease in miscellaneous Federal revenue County-wide (\$1.9 million), Juvenile Justice Authority revenue received by the Department of Corrections for salary increases (\$1.3 million), multiple State and Federal revenues, including Coronavirus Aid, Relief, and Economic Security Act (CARES) (\$0.9 million), and a decrease in miscellaneous state revenue (\$0.4 million) collected by COMCARE for Community Mental Health Center (CMHC) provider relief funding. The decrease in intergovernmental revenue in non-property-tax funds is partially offset by an increase in intergovernmental revenue from the Kansas Department of Corrections (\$4.9 million) due to an increase in the Behavioral Health Fund for Adult Services and three juvenile grants that moved to a two-year cycle in place of a one-year cycle in 2023. There was an increase in State revenue for the Health Department, COMCARE, Department of Aging and Disabilities to fund multiple public service programs (\$1.9 million), an increase in miscellaneous State passthrough revenue (\$0.6 million) to the Department of Aging and Disabilities (\$0.4 million) to fund multiple programs. There were also increases recorded in State revenue (\$0.2 million) to COMCARE for 988 funding and the Department of Aging and Disabilities for various programs including Medicaid reimbursement, an increase in Federal funds (\$0.4 million) for the Department of Aging and Disabilities from the Older Americans Act (OAA), as well as an increase in State revenue (\$0.2 million) from the Kansas Department of Health and Education to the Health Department for various programs. The decrease in charges for services in enterprise and internal service funds (\$0.5 million) is primarily due to a decrease in the employer-paid portion of benefits into the Health and Life Fund due to an additional payroll posting in 2022 compared to 2023.

The decreases were partially offset by increases in charges for services in non-property-tax funds (\$10.2 million), other revenue in enterprise and internal service funds (\$6.3 million), miscellaneous revenues in enterprise and internal service funds (\$1.0 million), reimbursements in enterprise and

internal service funds (\$0.8 million), uses of money and property in enterprise and internal service funds (\$0.6 million), and fines and forfeitures in nonproperty-tax funds (\$0.2 million). The increase in charges for services in non-property-tax funds is largely due to an increase in COMCARE Prospective Payment System (PPS-1) for daily reimbursement of Medicaid fees received in 2023 (\$12.9 million), where Medicaid fees were reimbursed on a per service rate in 2022, and fees (\$0.2 million) insurance collected COMCARE and the Health Department. The increase in charges for services is partially offset by a decrease in Medicaid fees received by COMCARE (\$3.0 million). The increase in other revenue (\$6.3 million) in enterprise and internal service funds is primarily due to transfer in - intra-fund (\$8.1 million) for a transfer of the remaining fund balance for MABCD to the new Code Inspection and Enforcement Fund, which was offset by a decrease in transfer in - operating (\$0.9 million) due to a decrease in the annual year-end transfer to balance the Risk Management Fund. The increase in miscellaneous revenue in enterprise and internal service funds (\$1.0 million) is due to an increase in prescription benefit rebates collected by Human The increase in reimbursements in Resources. enterprise and internal service funds is due to the claim recovery payments received for hail damage at the Sedgwick County Zoo in 2019 (\$0.8 million). The increase in uses of money and property in enterprise and internal service (\$0.6 million) is due to an increase in investment income as the result of more strategic investment strategies and rising interest rates, as well as an increase in interest on current taxes. The increase in fines and forfeitures in non-property-tax funds (\$0.2 million) is due to an increase in opioid settlement revenue.

Key Revenues – Property-Tax-Supported Funds

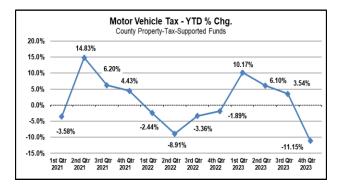

<u>Current property tax collections</u> through 2023 increased \$11.0 million (7.0 percent) when compared to 2022, which is primarily due to an increase in assessed valuation.

Retail sales and use tax collections increased \$1.0 million (2.5 percent), compared to 2022. Collections in eight of twelve months in 2023 exceeded collections in the same months in 2022.

Motor vehicle tax collections are allocated to each fund with a property tax levy in proportion to the property tax levied during the previous year's budget. Revenue from this source decreased \$2.2 million (11.2 percent), compared to 2022. Details about this revenue source are shown in the graph below.

Medical charges are primarily collected for the operation of EMS. Through 2023, collections increased \$2.0 million (11.5 percent) when compared to 2022. The increase is largely attributable to increases in Medicaid (\$1.2 million) and setoff program fees (\$0.6 million) collected on behalf of EMS.

MABCD licenses and permits revenue decreased by \$1.3 million (13.8 percent) compared to 2022 as a result of a decrease in the number of plans submitted and project valuation.

Officer fees decreased \$0.8 million (18.2 percent) compared to 2022. Officer fees are a per-page filing fee for documents recorded by the Register of Deeds Office. The fees vary based on the type and length of document being filed.

<u>Investment income</u> is required by State law to be deposited in the General Fund unless otherwise directed by statute to deposit earnings in a specific fund, such as the Register of Deeds Technology Fund. In some categories, relatively small increases in the amount can result in large percentage changes. Through 2023, investment income increased \$10.5 million (430.4 percent) versus 2022, the result of more strategic investment strategies and rising interest rates.

All other revenue collections increased \$12.3 million (50.4 percent) compared to 2022.

Expenditure Highlights:

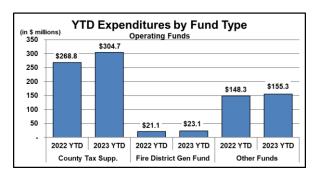

Total expenditures for all operating funds increased \$40.2 million (9.0 percent) compared to 2022. For all County property-tax-supported funds, expenditures increased \$35.9 million (13.4 percent). Increases were recorded in transfers out (\$22.3 million), contractuals (\$9.2 million), and personnel (\$8.7 million), which were offset by decreases in debt service (\$3.3 million), equipment (\$0.6 million), commodities (\$0.3 million), and capital improvements (\$0.1 million)

All other County operating funds expenditures (grants, internal service funds, and non-property-tax special revenue funds) increased \$7.0 million (4.8 percent) compared to 2022. The most significant increases occurred in capital improvements in nonproperty-tax funds (\$15.8 million) and personnel in non-property-tax funds (\$5.9 million). The increase in capital improvements in non-property-tax funds (\$15.8 million) is primarily due to upgrades at the jail (\$9.9 million) and to the remodeling at the Sedgwick County Courthouse (\$6.7 million) in order to resolve court backlogs caused by the coronavirus disease (COVID-19) pandemic and funded by ARPA. The increases in personnel in non-propertytax funds (\$5.9 million) is primarily due to an increase in rates of pay and an increase in positions filled at COMCARE (\$3.9 million).

These increases were partially offset by decreases in contractuals in non-property-tax funds (\$11.0 million), equipment in enterprise and internal service funds (\$2.7 million), transfers in enterprise and internal service funds (\$2.2 million), capital improvements in enterprise and internal service funds (\$2.0 million), contractuals in enterprise and internal service funds (\$0.7 million), and transfers in non-property-tax funds (\$0.6 million). The decrease in contractuals (\$11.0 million) in non-property-tax funds is primarily due to a reduction in temporary health care staff paid by ARPA (\$6.4 million), management services (\$5.0 million) for a shopping cart created by COMCARE for respite care, and financial professional services for ARPA grant management by the Division of Finance (\$3.6) million); these decreases are partially offset by an increase in Medicaid pass-through due to COMARE

becoming a Certified Community Behavioral Health Clinic (CCBHC) (\$2.9 million). The decrease in equipment in enterprise and internal service funds (\$2.7 million) is primarily due to the timing of funds encumbered for fleet acquisition in 2022 for Fleet Management. The decrease in transfers in enterprise and internal service funds (\$2.2 million) is primarily due to Fleet Management (\$3.3 million) due to the timing of vehicle acquisitions and for the ending of Shuttered Venue Operators Grant (SVOG) for INTRUST Bank Arena (\$1.0 million) which were partially offset by increases in transfers - out operating (\$2.2 million) primarily due to a year-end transfer to fleet. The decrease in contractuals in enterprise and internal service funds (\$0.7 million) is primarily due to the ending of the SVOG for INTRUST Bank Arena (\$1.9 million). The decrease in transfers in non-property-tax funds (\$0.6 million) is primarily due to a transfer in to COMCARE for lost revenue paid for by APRA funds.

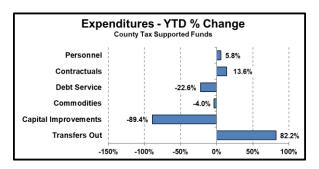

Year-to-date (YTD) Expenditures by Fund Type

<u>County property-tax-supported funds'</u> expenditures increased \$35.9 million (13.4 percent) compared to 2022.

<u>Fire District 1</u> expenditures increased \$2.0 million (9.8 percent) compared to 2022.

All other operating funds' expenditures increased \$7.0 million (4.8 percent) compared to 2022.

Key Expenditures — Property-Tax-Supported Funds

<u>Personnel</u> expenditures increased \$8.7 million (5.8 percent) compared to 2022, primarily due to an increase in rates of pay, and an increase in positions filled in the Sheriff's Office compared to 2022.

| | 2018 | 2019 | 2020 | 2021 | 2022 | 2023 |
|----------|--------------|--------|--------|--------|--------|--------|
| KPERS - | Retirement F | Rates | | | | |
| | 939% | 9.89% | 9.89% | 9.87% | 9.90% | 9.43% |
| KP&F - R | etirement Ra | ates | | | | |
| Sheriff | 20.22% | 22.13% | 21.93% | 22.80% | 22.99% | 22.86% |
| Fire | 20.09% | 22.13% | 21.93% | 22.80% | 22.99% | 22.86% |
| EMS | 20.09% | 22.13% | 21.93% | 22.80% | 22.99% | 22.86% |

Contractual expenditures increased \$9.2 million (13.6 percent) primarily due to increases in management services (\$3.3 million) for Exploration Place (\$2.5 million) due to a one-time funding agreement for a capital campaign and MABCD (\$0.6) million) due to support costs paid to the City of Wichita. Additional increases were recorded in grants awarded (\$2.7 million) primarily for a capital campaign for the Child Advocacy Center (\$2.0 million) and the Wichita State University tax levy through (\$1.0 million), and medical professional services (\$1.9 million) mostly by the Sheriff's Office for Adult Detention Facility medical services. An increase was recorded in administrative charges (\$1.7 million) primarily due to the payment the final administrative charges COMCARE, EMS, and Noxious Weeds Tax Funds in 2023 as a result of their consolidation into the General Fund. These increases were partially offset by decreases in incidental client services (\$0.2 million), software/hardware maintenance million), and building repairs (\$0.1 million).

<u>Debt</u> payments decreased \$3.3 million (22.6 percent) compared to 2022 primarily due to a decrease in bond principal (\$2.8 million) and interest payment (\$0.4 million).

Commodities expenditures decreased \$0.3 million (4.0 percent) compared to 2022. This decrease is primarily due to a decrease in postage/shipping (\$0.2 million) and food, primarily for public safety and public service departments (\$0.1 million).

<u>Capital Improvement</u> expenditures decreased \$0.1 million (89.4 percent) compared to 2022 due to a

decrease in moving expenses by the Division of Finance in 2023 for the relocation of District Court Traffic Clerk and Media Room, related to the General Fund COVID-19 Response Program.

Equipment expenditures are represented in the capital outlay category. Equipment expenditures decreased by \$0.6 million (32.3 percent) compared to 2022, primarily due to decreases in technology hardware (\$1.4 million) primarily by EMS, which were partially offset by increases in vehicles (\$0.5 million) for the purchase of a new airplane by the Sheriff's Office and operating equipment (\$0.3 million) for a Liquid Chromatograph Mass Spectrometer (LS/MS) by the Regional Forensic Science Center (RFSC), using opioid settlement funds before funds were transferred to the newly created opioid fund.

Transfers to other funds increased \$22.3 million (82.2 percent) compared to 2022. This is primarily due to increases in transfers out - operating (\$21.4 million) due to the transfer of remaining MABCD fund balance (\$8.1 million) to the new Code Inspection and Enforcement Fund, year-end transfers from various departments of unexpended budget authority to the Equipment and Technology Reserve Fund (\$6.9 million), the transfer of the remaining fund balance from the COMCARE, EMS, and Noxious Weeds tax funds to the Equipment and Technology Reserve Fund (\$3.6 million), the annual vear-end transfers to balance the Risk Management Fund (\$2.9 million) and the Auto License Fund (\$0.4 million), increases in transfers out – capital projects (\$1.5 million) due to an increase in cash funded projects in 2023, and increases in transfer out - sales tax (\$0.4 million).

For additional information regarding the financial condition of Sedgwick County, please review the narrative sections discussing each major fund of the County, in addition to the schedules of budgetary accounts for the corresponding funds; the status of current capital projects; and the fund statements prepared based on Generally Accepted Accounting Principles.

Year-End Fund Balance:

General Fund: Expenditures were less than revenues by \$2.2 million at year-end, primarily due to an increase in investment income. This increase is due primarily to strategic investment strategies and rising interest rates.

Debt Service Funds: Expenditures from debt service funds were \$3.8 million less than revenues. The increase is due to retiring debt issuances, resulting in a reduction in debt service paid.

Special Revenue Funds-Property Tax Supported:

These funds decreased by \$6.1 million by year-end, primarily due to the final payment of administrative fees and fund balance transfers from the COMCARE, Emergency Medical Services (EMS), and Noxious Weeds Tax Funds into the General Fund.

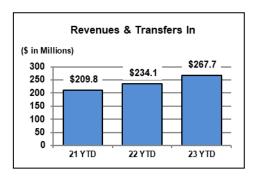

Fire District 1: The fund balance increased by \$0.2 million by the end of the year, primarily due to an increase in current property taxes and investment income due to strategic investment strategies and rising interest rates.

Special Revenue Funds–Non Property Tax Supported: These funds decreased by \$16.0 million. The decrease is primarily due to the allocation of Federal American Rescue Plan Act (ARPA) revenues previously received. Expenditures are expected to occur through 2024.

Enterprise and Internal Service Funds: The fund balances within this fund increased by \$9.6 million by the end of the year. This increase is primarily due to the transfer of the remaining fund balance for MABCD from the General Fund to the new Code Inspection and Enforcement Fund.

Major Revenues

Total revenues in the General Fund through 2023 totaled \$267.7 million, an increase of \$33.5 million (14.3 percent) compared to 2022.

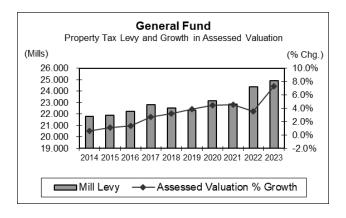

The increase in revenue is largely attributable to increases in uses of money and property (\$14.1 million), current property taxes (\$12.4 million), other revenue (\$4.5 million), charges for services (\$2.6 million), reimbursements (\$1.7 million), local retail sales and use taxes (\$1.0 million), fines and forfeitures (\$0.9 million), and back property taxes (\$0.1 million). The increase in uses of money and property is due to an increase in investment income (\$10.5 million) as the result of more strategic investment strategies and rising interest rates, as well as an increase in interest on current taxes (\$3.2 million). The increase in current property taxes is due to an increase in assessed valuation of 7.3 percent for the current budget year (\$12.4 million). The increase in other revenue is primarily due to an increase in transfer in - operating funds (\$4.5 million) for the transfer of remaining fund balances from the EMS, COMCARE, and Noxious Weeds Tax funds. The increase in charges for services (\$2.6 million) is due to a new law passed in 2023 (Senate Bill 228) that provides reimbursement for fees for housing prisoners who are awaiting competency hearings (\$1.5 million). Increases in charges for services are also due to fees collected by Emergency Medical Services (EMS) for Medicaid fees (\$1.2 million), setoff program charges (\$0.6 million), and building rental revenue collected by the Department of Corrections for inmate housing (\$0.1 million). The increases in charges for services were partially offset by decreases in officer fees collected by the Register of Deeds Office as a result of a reduction of 18.2 percent in number and length of documents

processed in 2023 compared to 2022 (\$0.8 million) and a decrease in reimbursement for video visitation costs at the Adult Detention Facility (\$0.2 million). The increase in reimbursements is due to the payment of the final administrative charges from COMCARE, EMS, and Noxious Weeds Tax Funds in 2023 as a result of their consolidation into the General Fund, compared to no administrative charges in 2022 (\$1.6 million). The increase in local retail sales and use taxes (\$1.0 million) is due to improved, but moderating, economic activity. The increase in fines and forfeitures is due to an increase in opioid settlement revenue (\$1.0 million); future opioid settlement funds will be deposited in the new Municipalities Fight Addiction Fund, rather than the General Fund. The increase in back property taxes (\$0.1 million) is due to greater revenue collected on behalf of the County by Klenda Austerman from the sale of foreclosed properties as a result of the increase in delinquent personal property taxes, as well as the prior year tax re-class by the Kansas Court of Tax Appeals which lead to a reduction of revenue and a timing delay in payments posted.

The increases were partially offset by a decrease in motor vehicle taxes (\$2.4 million), licenses and permits (\$1.3 million) and intergovernmental revenue (\$0.2 million). The decrease in motor vehicles taxes (\$2.4 million) is due to a decrease in vehicle registrations. The decrease in licenses and permits (\$1.3 million) is due to a decrease in permits issued by the MABCD for commercial and residential projects through 2023 compared to 2022. The decrease in intergovernmental revenue (\$0.2 million) is due to a decrease in reimbursements to the Department of Corrections from the Kansas State Department of Education (KSDE) School Nutrition Program (SNP) for the Juvenile Detention Facility (JDF).

The following section outlines these revenues and other major revenue categories collected by the General Fund.

Property taxes (current) are the largest revenue source in the General Fund. Through 2023, \$142.0 million in current property taxes had been collected, an increase of \$12.4 million (9.6 percent) compared to the previous year. The mill levy rate for this Fund was 24.926, an increase of 0.563 mills from the 2022 rate of 24.363 mills.

Local retail sales and use tax collections through 2023 increased \$1.0 million (2.5 percent) compared to 2022. Collections in eight of twelve months in 2023 exceeded collections in the same months in 2022. Disbursements from the State typically occur two months after the date of purchase and the numbers in the table below reflect that trend.

| Local Retail Sales & Use Tax | | | | | | | | |
|------------------------------|------------|------------|----------|--|--|--|--|--|
| Year-to-Date Comparison | | | | | | | | |
| Month | 2022 | 2023 | % Change | | | | | |
| January | 2,980,415 | 3,102,485 | 4.10% | | | | | |
| February | 3,624,467 | 3,845,284 | 6.09% | | | | | |
| March | 2,759,407 | 3,069,072 | 11.22% | | | | | |
| April | 2,686,082 | 2,923,807 | 8.85% | | | | | |
| May | 3,329,811 | 3,512,157 | 5.48% | | | | | |
| June | 3,377,029 | 3,111,737 | -7.86% | | | | | |
| July | 3,049,681 | 3,213,106 | 5.36% | | | | | |
| August | 3,323,703 | 3,645,621 | 9.69% | | | | | |
| September | 4,076,378 | 2,959,469 | -27.40% | | | | | |
| October | 2,459,108 | 3,388,164 | 37.78% | | | | | |
| November | 3,317,977 | 3,315,094 | -0.09% | | | | | |
| December | 3,203,118 | 3,064,992 | -4.31% | | | | | |
| Total | 38,187,177 | 39,150,986 | 2.52% | | | | | |

Motor Vehicle tax collections were \$13.6 million through 2023, a decrease of \$2.4 million (14.9 percent) compared to 2022. Motor vehicle taxes are collected in accordance with K.S.A. 79-5111, which

requires these taxes to be allocated to each fund with a property-tax levy in proportion to the property tax levied during the previous year's budget.

Intergovernmental revenue includes receipts from other governmental entities, like the State of Kansas. Major sources of revenue in this category come from the State to assist with juvenile Corrections programs and from the City of Wichita for the Exploited and Missing Child Unit (EMCU), which is a jointly operated program between the Sheriff's Office, the Kansas Department for Children and Families (DCF), and the Wichita Police Department (WPD) that investigates child abuse, human trafficking, and missing children cases. Receipts in this category totaled \$0.7 million, a decrease of \$0.2 million (18.4 percent) compared to 2022.

Charges for services revenue consists of receipts paid by individuals to cover part or all of the cost of County services received, as well as cost allocations from various internal funds. The \$32.7 million collected through 2023 was \$2.6 million (8.6 percent) more than in 2022, mainly due to a new law passed in 2023 (Senate Bill 228) that provides reimbursement for fees for housing prisoners who are awaiting competency hearings (\$1.5 million). Increases in charges for services are also due to fees collected by EMS for Medicaid fees (\$1.2 million) and setoff program charges (\$0.6 million), and building rental revenue collected by the Department of Corrections for inmate housing (\$0.1 million). The increases in charges for services were partially offset by decreases in officer fees collected by the Register of Deeds Office as a result of a reduction of 18.2 percent in number and length of documents processed in 2023 compared to 2022 (\$0.8 million) and a decrease in video visitation revenue collected by the Sheriff's Office (\$0.2 million) due to a decrease in inmate population.

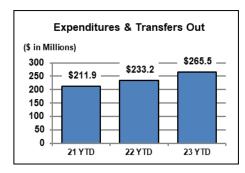

Uses of Money and Property revenue, which includes investment income, increased \$14.1 million (1,462.7 percent) compared to 2022 as the result of more strategic investment strategies and rising interest rates.

Transfers from other funds and other proceeds are typically a result of the transfer of residual cash from the Auto License Fund or from completed capital projects, which varies as projects can be completed any time during the year. Through 2023, transfer in operating income increased \$4.5 million (958,665.7 percent) is due to the transfer of

remaining fund balances from the EMS, COMCARE, and Noxious Weeds Tax funds.

Major Expenditures

Actual expenditures for 2023 increased \$32.3 million (13.8 percent) compared to 2022. Increases were recorded in transfers out (\$17.8 million), personnel (\$8.8 million), and contractuals (\$6.8 million). Increases were partially offset by decreases in equipment (\$0.6 million), commodities (\$0.3 million), and capital improvements (\$0.1 million).

Personnel costs increased \$8.8 million (6.1 percent) compared to 2022. The increase is mostly attributable to increased rates of pay, and an increase in positions filled in the Sheriff's Office during 2023.

| General Fund Detailed Personnel Expenditures | | | | | | | | | |

| Call Back/On Call | 199,701 | | 118,714 | -40.55% | | | | | |
| Total \$ | 143,055,025 | \$ | 151,862,985 | 6.16% | | | | | |

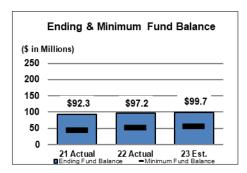

Contractual services expenditures increased \$6.8 million (12.9 percent) in 2023, compared to 2022. The increase in contractuals is primarily due to increases in management services (\$3.3 million) paid to Exploration Place due to a one-time funding agreement for a capital campaign, and for MABCD due to department support costs paid to the City of Wichita (\$0.6 million). Additional increases were

recorded in medical professional services (\$1.9 million) mostly by the Sheriff's Office for Adult Detention Facility medical services, grant awards (\$1.8 million) primarily due to the Wichita State University tax levy pass through (\$1.0 million) and a capital campaign for the Child Advocacy Center (\$0.8 million). These increases were partially offset by decreases in building repairs County wide (\$0.2 million).

Commodity expenditures decreased \$0.3 million (3.8 percent) through 2023 when compared to 2022. The decrease is mostly attributable to a decrease in postage/shipping (\$0.2 million) and food in public safety and public service departments (\$0.1 million).

Transfers to other funds include the transfer of half of all retail sales and use tax collections. In accordance with the 1985 vote to implement a 1.0 percent County-wide sales tax, \$1.6 million annually is transferred to the Bond and Interest Fund to support debt service on bonded public works projects, and the remaining balance is transferred to the Local Sales Tax Road and Bridge Fund. Other transfers include funding from cash-funded capital facility and drainage projects. Those projects include replacing the red brick west restroom at Lake Afton Park (LAP) (\$0.4 million), modernization of Public paralleling switchgear (\$0.4 million), replacement and installation outdoor warning devices (\$0.3 million), renovating the pavilion at LAP (\$0.3 million), replacing the Courthouse Police access control system (\$0.2 million), replacing parking lots on County-owned properties (\$0.2 million), camera system improvements at the Juvenile Detention Facility (\$0.2 million), and replacing roofs on County-owned properties (\$0.1 million).

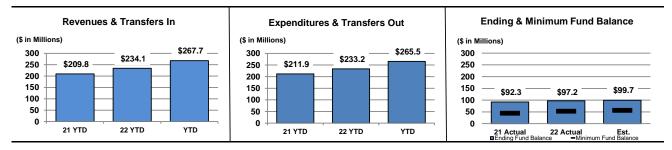

The General Fund 2023 beginning budgetary fund balance of \$97.2 million increased \$2.2 million (2.2 percent), primarily due to an increase in uses of money and property, property taxes, other revenue, charges for services, and reimbursements.

The General Fund is the County's primary operating fund and accounts for County services that do not have a designated fund of their own. The General Fund includes most general government and law enforcement functions and receives the broadest variety of revenues. Currently, the operations of 46 different departments are funded from the General Fund. Below is a summary of General Fund revenues and expenditures followed by expenditures by department on the subsequent pages. The mill levy rate for the General Fund in 2023 is 24.926 mills.

Revenues through 2023 increased \$33.5 million versus 2022, specifically in uses of money and property (\$14.1 million), current property taxes (\$12.4 million), other revenue (\$4.5 million), charges for services (\$2.6 million), reimbursements (\$1.7 million), local retail sales and use taxes (\$1.0 million), fines and forfeitures (\$0.9 million), and back property taxes (\$0.1 million). The increases were partially offset by a decrease in motor vehicle taxes (\$2.4 million), licenses and permits (\$1.3 million), and intergovernmental revenue (\$0.2 million). Expenditures increased \$32.3 million compared to 2022, specifically in transfers out (\$17.8 million), personnel (\$8.8 million), and contractuals (\$6.8 million). Increases in expenditures were partially offset by decreases in equipment (\$0.6 million), commodities (\$0.3 million), and capital improvements (\$0.1 million).

Budgetary Accounts

Bond and Interest

The Bond and Interest Fund provides for the retirement of the County's bonded indebtedness. Sedgwick County levies taxes which, combined with special assessments credited to the Fund, sufficiently finance the principal and interest payments due throughout the year. On April 12, 2017, the Board of County Commissioners approved a revised debt financing policy which provides clear guidance on the use of debt. Debt policy objectives ensure the County obtains financing only for one-time capital improvement projects and unusual equipment purchases (subject to a two-step analysis), implements efficient processes, obtains favorable interest rates, and prioritizes financial flexibility.

For 2023, 1.861 mills were levied, a decrease of 0.174 mills from the 2022 budget.

Wichita State University

In June 1987, the Board of County Commissioners and the Wichita City Council approved an inter-local agreement in which the City ended a property tax levy of 1.5 mills and the County created a county-wide levy for an equal amount. Of the revenue received from the levy, approximately 29.8 percent is primarily used to pay the debt service for the campus facilities and for the National Center for Aviation Training. Approximately 51.2 percent makes up student support and serves as the universities primary source of support for scholarships and assistantships for city and county residents. Approximately 4.8 percent is budgeted for Economic and Community Development. 4.1 percent of total expenditures provide funding for operation and oversight of mill levy fund. Finally, 10.1 percent is required for contingency reserve.

COMCARE

Comprehensive Community Care (COMCARE) of Sedgwick County provides mental health services and substance abuse treatment to adults, families, and children. COMCARE has existed as a Community Mental Health Center (CMHC) since 1962. In 1990, the Kansas Legislature enacted legislation, the State's Mental Health Reform Act, to shift State funding for mental health services from State hospitals to community providers. There are currently 26 licensed CMHCs operating in Kansas. In 2022, COMCARE received a Certified Community Behavioral Health Clinic expansion Grant from SAMHSA.

The COMCARE Tax Fund was consolidated into the General Fund starting in 2022. In 2023, this fund is budgeted for payment of the final administrative charges owed by this fund as well as the transfer of the remaining fund balance to the General Fund, which will be restricted for use for COMCARE services.

Emergency Medical Services

Emergency Medical Services (EMS) was created in 1974 per a City/County agreement to provide emergency response and scheduled ambulatory transfers. Prior to 1974, a private provider, Metropolitan, provided EMS services to the community.

Charges for service were the largest revenue stream for this Fund. Growth in this revenue category has been difficult to predict with recent changes in Medicare rules, billing vendors, the changes to user fee, and implementation of quality assurance measures within the Department.

The EMS Tax Fund was consolidated into the General Fund starting in 2022. In 2023, this fund is budgeted for payment of the final administrative charges owed by this fund as well as the transfer of the remaining fund balance to the General Fund, which will be restricted for use for EMS services.

Aging

The Department on Aging was created in 1980 to serve older citizens of the County and advocate independence and quality of life. Aging has two funds; the fund described below is used to account for the property tax supported portion of operations, while the other fund, Aging Grants, accounts for grants and most user fees.

Aging's property-tax-supported fund comprises 1.3 percent of the 2023 mill levy for the County, with \$2.5 million in revenue budgeted from a property tax rate of 0.371 mills for the year, a 0.111 mills decrease from 2022, while the other fund, Aging Grants, accounts for grants and most user fees.

Highway

The Highway Department is financed through the Highway Fund to construct and maintain the County's roads, bridges and intersections. For 2023, the Fund is supported by a property tax levy of 0.710 mills, which represents a 0.28 mill decrease from last year's rate of 0.990.

The Fund also receives quarterly revenue distributions from the State's Special City/County Highway Fund as authorized under K.S.A. 79-3425. Although variable from year to year, reimbursements for inspecting Kansas Department of Transportation (KDOT) construction projects are also part of intergovernmental revenues. Public Works staff bill these inspection fees upon project completion.

Noxious Weeds

The Noxious Weeds Department was established to eradicate and control noxious weeds as required by K.S.A. 2-1318. Under the enabling statute, K.S.A. 2-13-19(d), Noxious Weeds is required to sell the pesticides at a subsidized rate to private landowners. Noxious Weeds also sprays noxious weeds for the Kansas Department of Transportation (KDOT) under an annual contract, and for private landowners at rates that reflect the cost of providing the service.

Charges for services are often dependent on the length of the growing season and impact revenue received from KDOT for spraying State-owned right of way. The Noxious Weeds Tax Fund was consolidated into the General Fund starting in 2022. In 2023, this fund is budgeted for payment of the final administrative charges owed by this fund as well as the transfer of the remaining fund balance to the General Fund, which will be restricted for use for Noxious Weeds services.

Fire District 1

Created in 1955, Sedgwick County Fire District 1 is composed of nine fire stations serving much of unincorporated Sedgwick County, along with 10 of the 20 cities within Sedgwick County. The District encompasses 618 square miles. The property tax rate for those in Fire District 1 in 2023 is 17.912 mills which is an increase of 0.095 mills from 2022.

The Fire District's vehicle replacement plan was included in the 2023 budget.

Solid Waste

The Solid Waste Fund supports Household Hazardous Waste and Environmental Resources through a fee assessed on all owners of developed property in the County. This fee was established pursuant to K.S.A. 65-3410 and was adopted by the Board of County Commissioners in 2000 after the Legislature assigned counties responsibility for all solid waste planning within their jurisdictions.

In 2018, the storm debris contingency was reinstated in the amount of \$250,000 after being eliminated in 2016. Fees increased in 2020 with the base residential rate increasing from \$5.88 to \$7.80 and held flat in 2021. In 2022, the base residential rate increased from \$7.80 to \$7.90. In 2023, the base residential rate increased \$0.48 from \$7.90 to \$8.38.

Emergency Communications - 911

Emergency Communications began in 1994 as a County department, prior to which it was a City agency. Operation of the County's 911 services is funded through both the Emergency Telephone Service Fund and the General Fund. The General Fund primarily supports personnel costs, while the Emergency Telephone Service Fund is restricted by K.S.A. 12-5304 to the installation and maintenance of telecommunication services used during emergency situations, the ongoing monthly costs of service lines, and capital equipment enhancements. These charges are collected by service providers of land lines and wireless devices with their primary place of use in Kansas.

During the 2004 Legislative Session, the Legislature approved an enhancement to the Fund's revenue stream by allowing the application of a tax on wireless phones, in addition to the landline tax. On January 1, 2012, wired and wireless rates were equalized at \$0.53 per line, and in 2015, rates were increased to \$0.60 per line. In 2019, the Legislature passed the Kansas 911 Act, which increased the local fee by \$0.06.

Auto License

Pursuant to K.S.A. 8-145, the County Treasurer is responsible for the collection of motor vehicle taxes and the issuance of vehicle registrations, as funded through the Auto License Fund. As a result of these functions, the Treasurer receives a fee for each transaction to support operational expenditures.

The Auto License Fund net operating incomes must be transferred into the General Fund each year, as outlined in K.S.A. 8-145. For 2023, a transfer of \$374,395 from the General Fund to the Auto License Fund was necessary to balance the fund due to reduced revenues.

SCDDO Grants

The Sedgwick County Developmental Disability Organization (SCDDO) assists disabled citizens of Sedgwick County in accessing community services that promote independence. The SCDDO network providers are directly reimbursed by the State for case management services.

The SCDDO's Grant portion comes primarily through a contract with the State of Kansas through the Kansas Department for Aging and Disability Services, which is the primary source of revenue for this Fund.

COMCARE Grants

COMCARE of Sedgwick County provides mental health services and substance abuse treatment to adults, families, and children. COMCARE has existed as a Community Mental Health Center (CMHC) since 1962. In 1990, the Kansas Legislature enacted legislation, the State's Mental Health Reform Act, to shift State funding for mental health services from State hospitals to community providers. There are currently 26 licensed CMHCs operating in Kansas.

In 2022, COMCARE was designated as a Certified Community Behavioral Health Clinic (CCBHC), a new provider type in Medicaid, which is designed to provide a comprehensive range of mental health and substance use disorder services to vulnerable individuals. In return, COMCARE will receive an enhanced Medicaid reimbursement rate based on their anticipated costs of expanding services to meet the needs of these complex populations.

As operations are impacted by Medicaid Managed Care, State budget reductions and KanCare changes, financial forecast estimates will be revised accordingly.

Corrections Grants

The Department of Corrections was established to operate community-based correctional interventions for both adults and juveniles. The Department is responsible for a broad range of programs supported with grant funding to promote community safety through adult intensive supervision and residential services, juvenile case management and intensive supervision, and the distribution of juvenile prevention funds to community service providers.

Aging Grants

The Department on Aging was established in 1980 to serve older citizens and advocate preserving their independence and quality of life. To achieve this purpose, the Department aggressively pursues State and Federal grants to assist the community's aging population with vital services. These services include Meals on Wheels, health screenings, minor home repairs, and case management.

Health Grants

Prior to 2002, the City of Wichita and Sedgwick County funded the Health Department through a cooperative partnership. During this time, the City of Wichita was the managing partner and contributed 60.0 percent of the required tax funding while the County contributed 40.0 percent. The partners implemented a new agreement in 2002 in which the County began managing the Health Department and, until 2005, the City provided financial support.

Stimulus Grants

On March 11, 2020, the World Health Organization declared the novel coronavirus, COVID-19, a pandemic. On March 27, 2020, the Federal Coronavirus Aid, Relief, and Economic Security (CARES) Act was signed into law. The Act provided \$2 trillion in economic relief funding and allocated \$150 billion of that to state, local, and tribal governments through Title V of the Act, called the Coronavirus Relief Fund. Sedgwick County received \$99.6 million in direct allocation, which was used by the County, other municipalities, and approved entities to cover costs incurred due to COVID-19; were not accounted for in the budget most recently approved as of March 27, 2020; and were incurred during the period of March 1, 2020, through December 30, 2020. The County also received \$9.3 million in pass-through Federal stimulus funding from the State's allocation of CARES funding.

On March 11, 2021, the Federal American Rescue Plan Act (ARPA) was signed into law. The Act provided \$1.9 trillion for COVID response and recovery. It allocated \$350 billion to states and local governments. Sedgwick County was allocated \$100.2 million, to be paid in two equal installments in 2021 and 2022. Funds must be committed by December 31, 2024 and may be used for response to the COVID-19 public health emergency and its negative economic impacts; premium pay for essential workers; the cost of government services, to the extent that funding was reduced by the COVID-19 public health emergency; and investments in water, sewer, and broadband infrastructure. An updated spending plan is in place through the end of the grant term.

INTRUST Bank Arena - Subfund

Senate Bill 58, signed on April 4, 2005 by then Governor Kathleen Sebelius, authorized Sedgwick County to collect a 1.0 percent sales tax for a period of 30 months beginning July 1, 2005. The proceeds from this tax were specifically designated for the construction of an Arena in the downtown area of Wichita, renovations to the Kansas Pavilions, and the creation of a reserve fund to support operations and maintenance of the combined enterprise. This method eliminated the need for securing bonds to finance the project, saving approximately \$112 million in interest.

In January 2008, naming rights proposals were adopted for an additional \$14.8 million in revenue over the next 20 years. This is the primary source of revenue now being collected in the fund as part of the budgetary account breakdown. On January 2, 2010, the INTRUST Bank Arena opened its doors to the public. Management of the Arena is the responsibility of ASM Global, a private company specializing in arena facility management for more than 35 years. Under this arrangement, ASM Global is responsible for any operating losses during its contract and any profits will be split between the County and ASM Global based on a formula, providing the first \$400,000 of net income to ASM Global and splitting the remainder 50/50. The information presented below displays financial data for the Arena back to 2005.

Due to the impact of COVID-19 on availability of shows, concerts, and other events as well as group size restrictions, very few typical events have been held in the Arena since mid-March 2020, greatly impacting revenues and overall net operating income. As a result, ASM Global notified Sedgwick County of its intent to invoke Section 13.5 Force Majeure of the Operating Agreement as of July 17, 2020. As a result, ASM Global's responsibility for operating losses was halted, so this fund was used to offset operating losses for 2020. The Commission approved a separate amendment for calendar year 2021 on December 16, 2020. For 2021, the County reimbursed ASM Global for any net operating losses on a monthly basis. ASM Global reimbursed the County for any net operating profit in a month. For 2022, the agreement returned to its historical arrangement.

Fleet Management

Fleet Management is responsible for maintaining, repairing, fueling, and replacing the County's fleet, which consists of 698 vehicles and related equipment. Revenues are primarily generated from internal service charges collected from County departments who utilize services. Vehicle replacement revenues, also referred to as set-aside, are retained in the Fund until the replacement purchase is made. Included within Fleet Management is the Fleet Acquisition Contingency of \$1.5 million annually. The Contingency provides a source of funding for emergency equipment acquisitions and other large unforeseeable events not envisioned at the time the budget was adopted.

In 2013, the Board of County Commissioners authorized several changes in Fleet Management operations to reduce the Department's budget. These included outsourcing the parts room, body shop work, and ambulance remounts. In 2017, the BOCC approved a new fleet replacement policy, which transitioned away from an age and miles approach to a more sophisticated point system.

The decrease in equipment is due to the timing of funds encumbered in 2022 for vehicles.

Health/Dental Insurance Fund

The Health and Life Fund was established to account for the costs associated with Sedgwick County's employee health benefit plans and is supported by premiums charged to departmental budgets and employees.

On July 9, 2014, the Board of County Commissioners approved a shift to a self-funded employee health insurance model, along with a contract for the administration of employee health and pharmacy benefits with United Healthcare beginning January 1,2015. A self-funded health insurance plan gives the County better cash flow, greater flexibility over the health plan design and coverage, and reduced administrative costs. Self-funding tends to cost less, as any savings remains with the plan to help pay future costs. United HealthCare provides guarantees for operational, service, implementation, clinical and network discounting performance. Beginning in 2020, the County offers three medical plans that employees can choose from. These plans include a Premier PPO Plan, a Base PPO Plan, and a High Deductible Health Plan with a Health Savings Account option.

Workers' Compensation

Pursuant to K.S.A. 44-505b, the Workers' Compensation Fund was established, allowing Sedgwick County to become selfinsured. Each individual workers' compensation claim is self-insured up to \$600,000. The Fund pays for legal expenses, workers' compensation claims, administration, and related operational costs. Funding to cover these costs is supported by premiums charged to departments based on the number and cost of historical claims.

Risk Management

To centralize and manage administration of claims and claim expense, the County established the Risk Management Fund in 1986, as authorized by K.S.A. 12-2615. The Fund pays for Risk Management staff salary and benefits, insurance premiums, insurance deductibles, and claims not otherwise covered by an insurance policy. The fund is supported by an annual inter-fund transfer from the General Fund.

The Fund is used to pay premiums for the following insurance policies: property, Sheriff's aircraft hull and liability, fire, vehicle, fleet, physical liability, employee blanket bond, public official bonds, professional liability for Health Division and COMCARE healthcare facilities, and professional liability for physicians in COMCARE, Regional Forensic Science Center, and the Office of the Medical Director (OMD). Each policy has a deductible of \$250,000 or less. The risks of public liability and auto liability are self-insured. The self-insured claims and expenses are also paid out of the Risk Management Fund.

Capital Projects

Capital Projects

The following report provides a financial overview of active Capital Improvement Program (CIP) facility projects as well as road, intersection, bridge, and drainage projects. Projects are grouped together by category and the year in which they were approved. An overview of the CIP as well as individual project spending is reported. The report is prepared from multiple sources, including reports from both Facility Project Services and Public Works. As the report focuses on active projects, historical information on completed projects that are fully paid for will normally not be included.

- 2005: Project budgets currently include \$0 in remaining funding related to INTRUST Bank Arena, which opened in January 2010. This project will remain open for the life of the facility.
- 2012: Active 2012 projects include \$2.0 million in project funding, with \$33,245 remaining for one drainage project. The project was anticipated to be completed in 2023 but is still under construction. This project is now being combined with another project in 2019 that is ongoing. The final facility project was completed in 2012 but remains open for administrative reasons.
- **2013:** The active project in the 2013 CIP includes \$2.8 million in project funding, of which all funding is committed. It was completed in 2017 but remains open for administrative reasons.
- 2015: Project budgets currently include \$1.1 million in project funding, of which \$1.0 million is committed and \$45,501 is available. The final road and bridge projects were active until December 2017. They remain open for administrative reasons.
- **2017:** Budgeted funding for the 2017 CIP totals \$5.9 million, all of which is committed. The final project was completed in December 2017 and remains opens for administrative reasons.
- 2018: Budgeted funding for the 2018 CIP totals \$2.0 million, with \$1.1 million committed and \$0.8 million available. Significant current projects include the Cherese Woods Benefit District, as well as numerous road and bridge projects.

- 2019: Budgeted funding for the 2019 CIP totals \$52.0 million, with \$8.5 million committed and \$43.5 million available. Significant current projects include the County Administration Building, after the CIP amendment in 2023, one drainage project, and one bridge project.
- **2020:** Budgeted funding for the 2020 CIP totals \$6.0 million with \$3.4 million committed and \$2.5 million available. There is one facility project and numerous road and bridge projects remaining.
- 2021: Budgeted funding for the 2021 CIP totals \$4.6 million with \$1.1 million committed and \$3.5 million available. Significant current projects include the Elections Building, replacing the Heating, Ventilation, and Air Conditioning (HVAC) at the Juvenile Residential Facility, one drainage project, and numerous road and bridge projects.
- 2022: Budgeted funding for the 2022 CIP totals \$34.4 million with \$9.8 million committed and \$24.6 million available. Significant projects include the Community Crisis Center Expansion, the Household Hazardous Waste Facility Expansion, and numerous road and bridge project.
- 2023: Budgeted funding for the 2023 CIP totals \$123.7 million with \$94.7 million committed and \$30.0 million available. Significant projects include a lab addition at the Regional Forensic Science Center (RFSC), renovating the pavilion at Lake Afton Park (LAP), two drainage projects, and numerous road and bridge projects.
- ARPA: CIP projects funded with American Rescue Plan Act (ARPA) funds totals \$18.9 million with \$9.7 million committed and \$9.2 million remaining. Significant projects include remodeling the Main Courthouse and renovating the Adult Residential / Work Release. The final projects are estimated for completion in 2024.

Fund Statements

Fund Statements

Combined Financial Statements

Governmental funds are generally used to account for tax-supported activities. The focus of the County's combined financial statements for governmental funds is to provide information on near-term inflows and outflows of spendable resources, as well as balances of spendable resources available at the end of the reporting period. Although the County maintains over 30 individual governmental funds, information is presented separately on the Balance Sheet (pages 56 and 57) and the Statement of Revenues, Expenditures and Changes in Fund Balances (pages 58 and 59) for the General Fund, Federal/State Assistance Funds, Public Building Commission, Debt Service Fund and the Debt Proceeds Fund. These funds are considered major funds or are of particular interest. Information regarding the County's remaining governmental funds is combined into a single aggregated column and reported as other non-major governmental funds. Individual fund data for each of the other non-major governmental funds is presented in the form of Combining Financial Statements which may be found on pages 61-79 of this report.

Proprietary funds of the County include Enterprise Funds and Internal Service Funds and the related financial statements include the *Statement of Net Position* and *Statement of Revenues, Expenses and Changes in Net Position* (pages 58 and 63). Internal Service Funds are used to accumulate and allocate costs internally among the County's various functions. The County uses Internal Service Funds to account for its fleet of vehicles, insurance, workers' compensation and risk management activities. All Internal Service Funds are combined into a single, aggregated presentation in the proprietary fund financial statements.

Individual fund data for the Internal Service Funds is provided in the form of combining statements as presented on pages 55-60 of this report.

Highlights of the financial statements for the governmental and proprietary funds as of and for the period ending December 31, 2023 are as follows:

• Fund balances for the governmental funds totaled \$271 million, an increase of \$62 million since the end of 2022. The following table depicts the financial

position at December 31 and shows how fund balances changed in the major and other governmental funds:

| Governmental Fund Type | ember 31, 2023 und Balance | Ch | ange in Fund Balance |
|----------------------------|-------------------------------|----|-------------------------|
| General | \$ 90,503,257 | \$ | 7,275,829 |
| Fed/State Assistance | 85,953,204 | | 54,147,545 |
| Public Building Commission | 903,123 | | (587,598) |
| Debt Service | 4,489,005 | | 2,247,650 |
| Debt Proceeds | 4,153,710 | | (3,467,708) |
| Other | 85,016,832 | | 2,558,159 |
| Totals | \$ 271,019,131 | \$ | 62,173,877 |

- Governmental funds revenues were \$478 million for the period ending December 31, 2023, an increase of \$42 million compared to December 31, 2022.
 Property tax revenue increased \$10 million.
 Investment revenue increased \$22 million as well.
 Charges for services increased \$18 million.
 Sales tax revenue decreased \$1 million.
- Governmental funds expenditures were \$405 million as of December 31, 2023, an increase of \$45 million from December 31, 2022. Public safety expenditures increased \$17 million and capital outlay expenditures increased \$13 million. Health and Welfare expenditures increased \$11 million. Culture and Recreation expenditures increased \$4 million. Debt service expenditures decreased \$2 million.
- The unrestricted fund balances of the governmental funds totaled \$141 million, which is available for meeting current budget obligations and spending at the government's discretion.
- Fund balance of the Public Building Commission (PBC) Fund totaled \$0.9 million, with is a decrease of \$0.6 million since the end of 2022. The PBC Fund is a special revenue fund to account for revenues and expenditures derived from direct financing leases.
- Fund balance of the Debt Service Fund totaled \$4 million, all of which is restricted for the payment of debt service. Funding of debt service expenditures is primarily met through property taxes, special assessments and transfers from other funds.

- The fund balance of the Debt Proceeds Fund totaled \$4 million, a decrease of \$3 million since the end of 2022.
- Net position of the Arena Fund totaled nearly \$133 million at December 31, 2023. Of this amount, \$131 million is invested in capital assets and \$2 million represents unrestricted net position.
- Net position of the Internal Service Funds totaled \$44 million. Of this amount, \$14 million is invested in capital assets and \$30 million represents unrestricted net position.
