Non-Acid Restroom Surface Cleaner	1.25/32 oz.	No Charge/12 oz.	<b>No Charge/32 oz.</b>	1.82/32 oz.

On the recommendation of Carol Bevelhmyer, on behalf of the Department of Corrections, Don Brace moved to **accept the proposal of Southwest Paper and execute a one (1) year contract not to exceed an annual expenditure of \$8,000.00, with two (2), one (1) year options to renew.** David Spears seconded the motion. The motion passed unanimously.

Note: Due to responses being in gallons and liters, pricing is based on medium dilution of concentrate to establish cost per gallon of end product. Each vendor supplied the number of gallons of end product produced based on medium dilution.

Lafe T. Williams was low on item #2 and EcoLab was low on item #4. Southwest Paper was low on items #1 & 3, which has much greater use.

The bid could not split among different vendors, based on the low bid per item, as the facility has to maintain these products under lock and key and the dispenser is proprietary to each vendor's product because product is not interchangeable.
