On the recommendation of Kandace Johnson, on behalf of various County Departments, Ron Estes moved to **accept the low proposal from Waste Connections, Inc. to establish contract pricing and execute a contract for two (2) years with three (3) additional one (1) year options to renew for an estimated annual cost of \$87,704.12.** David Spears seconded the motion. The motion passed unanimously.

Discussion was had about splitting the services. Responses were not any better and having to manage multiple contracts was not practical.

Last bid in 2005, estimated annual cost was \$72,409.04 without the Christmas Treecycling services.
