On the recommendation of Joe Thomas on behalf of Noxious Weeds, Jennifer Dombaugh moved to **accept the low responsible bid for item no.1 for \$9,349.00 from Crop Production Services and the low bids for item nos.2 and 6 for \$9,334.00 from Van Diest Supply Co.(Option 2), item no.3 for \$6,150.60 from Vegetation Management Supply, Inc., item no.4 for \$3,425.00 from Red River Specialties, and item no.5 for \$3,182.40 from Crop Production Services, for an initial total purchase of \$31,441.00 and execute contract pricing for one (1) year.** Ron Estes Seconded the motion. The motion carried unanimously.

Environmental standards are being met by our vendors for weed chemicals. Each vendor is required to meet local, state, and federal regulations in regards to the sale and distribution of these products. The vendors also supply the County with MSDS (Material Safety Data Sheets) and Worker Protection Labels for safety and cleanup purposes.

Note: Sorelle, Inc. was originally the low bidder for item no.1, however, in discussion with the vendor and noting that their pricing was lower than other vendors, it was discovered that a nonjudgmental error had occurred. Based on statute (K.S.A. 75-6904), this bid has been withdrawn.
