RFP#03-0055

- 1. Could you clarify how the budget is to be developed for the applications?**

Payment for the Job Readiness psychosocial services is on an hourly reimbursement basis.

- 2. Are startup costs approved as a grant? And, how does this incorporate with Medicaid billing?**

Services are not grant funded. The successful proposer will provide the services, submit the clinical documentation to COMCARE, COMCARE will pay the vendor the agreed upon hourly rate and COMCARE will bill Medicaid for the services.
