### Request for Proposal Proposal # 05-0078

### TRASH COLLECTION SERVICES

November 16, 2005

Sedgwick County, Kansas (hereinafter referred to as *County*) desires to acquire a solution for Trash Collection Services. It is anticipated that an official contract will be issued for service(s) and/or product(s) after the Board of County Commission approval of the recommended proposal. It should be noted, however, that the County cannot guarantee the purchase of the service(s) and/or product(s) described herein.

Carefully review this Request for Proposal, it provides specific technical information necessary to aid participating firms in formulating a thorough response. Should you elect to participate, submit one (1) original and two (2) copies of the entire document with any supplementary materials **NO LATER THAN 1:45 p.m. CST, Tuesday, November 29, 2005**. Responses must be sealed and marked on the lower left-hand corner with the firm name and address, proposal number, proposal due date, and proposal opening time. Late or incomplete responses will not be accepted and will not receive consideration for final award.

Proposed base pricing may be disclosed at a public meeting to receive and file responses of this and other solicitations, and at the Sedgwick County Board of Bids and Contracts meeting. Because purchases of this nature require the expenditure of public funds and/or public facilities, it should be noted that all other information provided will be considered proprietary and will NOT be divulged during the proposal review process. The successful proposer will understand, however, that portions (potentially all) of their proposal (including any final contracts) will become public record after its acceptance by the Board of County Commissioners.

## **1. ABOUT THIS DOCUMENT**

This document is a Request for Proposal. It differs from a Request for Bid or Quotation in that the County is **seeking a solution**, as described on the cover page and in the following Background Information section, **not a bid or quotation** meeting firm specifications for the lowest price. As such, **the lowest price proposed will not guarantee an award** recommendation. As defined in Charter Resolution No. 57, Competitive Sealed Proposals will be evaluated based upon criteria formulated around the most important features of the product(s) and/or service(s), of which quality, testing, references, service, availability or capability, may be overriding factors, and price may not be determinative in the issuance of a contract or award. The proposal evaluation criteria should be viewed as standards that measure how well a vendor's approach meets the desired requirements and needs of the County. Those criteria that will be used and considered in evaluation for award are set forth in this document. The County will thoroughly review all proposals received. The County will also utilize its best judgment when determining whether to schedule a pre-proposal conference, before proposals are accepted, or meetings with vendors, after receipt of all proposals. A Purchase Order/Contract will be awarded to a qualified vendor submitting the best proposal. **Sedgwick County reserves the right to select, and subsequently recommend for award, the proposed service(s) and/or product(s) which best meets its required needs, quality levels and budget constraints.**

## **2. GENERAL & BACKGROUND INFORMATION**

Sedgwick County, located in south-central Kansas, is the most populous of Kansas' 105 counties with a population estimated at more than 450,000 persons. It is the sixteenth largest in area, with 1,008 square miles, and reportedly has the second highest per capita wealth among Kansas counties. Organizationally, the County is a Commission/Manager entity, employs nearly 2700 persons, and hosts or provides a full range of municipal services, e.g., public works, criminal justice, recreation, entertainment, cultural, human/social, and education.

In accordance with the specifications outlined here, it is the intent to receive proposals for pricing to provide Trash Collection Services required by the County. Vendors will find attached a listing of sites with approximate levels of waste expressed in cubic yards. This is only an estimate of usage and actual levels may vary. Material shall consist of but not be limited to waste common to the normal operation of a County site. Material shall exclude any radioactive, volatile, or highly inflammable, explosive or toxic materials. It is essential that the grounds at County sites be maintained in a clean and safe manner. It is also expected that all contracted trash collection equipment will be operated and maintained in a safe and clean manner. The containers being used by the County at the present time range from small containers on wheels to dumpster type with top loading capabilities. The containers furnished by the vendor shall have the same capabilities.

## **3. OBJECTIVES**

The County has identified the following objectives for securing Trash Collection Services described herein:

- Procure Trash Collection Services from a firm(s) meeting the parameters, conditions and mandatory requirements presented in this document.
- Select a reputable firm(s) to provide trash collection services for various County sites.
- Select a firm(s) to adhere to a pick up schedule each week to each site during the normal day to day operations, excluding holidays.
- Select a firm(s) that is responsive and promotes a safe and clean environment for County employees and the public in general.
- Select a firm(s) that will establish a pickup time schedule before implementation of the contract and will be responsible to adhere to this schedule as closely as possible during the contract year.
- Establish contract pricing with the firm(s) that has the best-proven "track-record" in performance, service and customer satisfaction.
- Procure Trash Collection Services with the most advantageous overall cost to the County.

#### **4. SELECTION CRITERIA**

The selection process will be based on the responses to this Request for Proposal and any interviews required to verify the ability of proposer to provide information in response to this document.   - b. Meeting or exceeding all mandatory firm requirements.

No negotiations, decisions, or actions will be initiated by any firm as a result of any verbal discussion with any County employee prior to the completion of the request for proposal (RFP) process. Sedgwick County reserves the right to select, and subsequently recommend for award, the proposed service or product which best meets its required needs, quality levels, and budget constraints.*
