**Request for Bid
#06-0143
3/4 TON FOUR-WHEEL DRIVE SUBURBAN
ADDENDUM #1**

October 25, 2006

The following questions were received regarding this Request for Bid. Questions are *italicized* and answers are **bolded**.

1. *Instead of the engine specification 5.3 V-6, the 2500 (3/4 ton) Suburban has only one engine option which is a 6.0 Liter V-8 due to the ability to perform up to its specified capabilities. Please clarify. **Please change the specification to read 6.0 Liter V-8.***
2. *The transmission lists a 4.10 rear end but the differential lists 3.73. Both are available but if you're going to be hauling heavy loads the 4.10 would be more suitable. **Please bid the 4.10.***

You must acknowledge receipt of this addendum on your response form.
