Questions received are in bold typeface, *answers are in italics.*

1. **What size of mower deck do we want?** *We were not looking at a mower deck. However, if it can not be sold without the deck, then we need a 42" deck.*
2. **With the Operator soft cab, (the operator soft cab has lights on it) do you want additional lights on the tractor?** *No.*
3. **Since we are asking for a dozer blade, the regular tires will not work with tire chains.** *We will need tire size 189-50 x 8. Also, there are two (2) spacers, one on each side, # 870-31 for it to work.*
4. **Do we want all of the wheels foam rubber or just the back ones?** *We want all of them to be foam rubber.*
5. **On the back wheel, do we want one (1) large wheel or two (2) wheels?** *One (1) large wheel.*
6. **To be able to connect the dozer blade, we will need an implement hitch # IH-6620.**
