ADDENDUM # 1

April 29, 2009

The following questions were received in reference to RFP # 09-0123, Intrust Bank Arena Suite & Lounge Furniture. Questions are in *italics* and answers in **bold** text.

1. *Is this solicitation all-or-none or line-item?* **Responses will be evaluated by line item, by manufacturer, and by all. Award will be made in the best interest of the Arena.**
2. *How will substitutions of the closed lines be evaluated? Are there specific items on which substitutions will not be considered?* **Each substitution will be compared to the original specifications, construction, quality, size, how it fits with the other furniture in the suites or lounges. A page for alternates has been included in this addendum to be used separately from the base bid.**
3. *May we receive a detailed drawing of the custom table tops to prepare a response to those items?* **Yes, see attached.**
4. *Item 4.5 Emeco Navy Chair # 1006, RFP specification says the chair is 16.3"w, Emeco pricer shows the chair being 15.5"w.* **Emeco verified 15.5"w dimension is correct.**

Pages six (6) and seven (7) have been changed to correct item numbering from 4.13 on and add additional information (to match LU36) to items 4.12 and 4.13. Please replace your original pages with the corrected pages.

Vendors are responsible for delivery, uncrating and disposing of all packaging materials and debris off-site.

Vendors are responsible for checking the web site and acknowledging any addendums in their response form. **Please acknowledge receipt of this addendum on the Proposal Response Form in the appropriate place.**
