CARPET CLEANING SERVICES FOR TAG OFFICES

April 30, 2009

Sedgwick County, Kansas (hereinafter referred to as "the County") is soliciting proposals from qualified firm(s) to provide carpet cleaning services for the Sedgwick County tag offices. The intent of the award of this proposal(s) is to establish contract pricing for two (2) years, with three (3) additional one (1) year options to renew. This proposal may result in a multi-vendor award. It is anticipated that an official contract and/or purchase order will be issued for these services after Board of County Commission approval of the recommended proposal. It should be noted, however, that the County cannot guarantee the purchase of the services described herein.

This document provides information necessary to aid participating firms in formulating a thorough response. Should you elect to participate, you must submit one (1) original and two (2) copies of the entire document, along with any additional information requested in a sealed container/envelope to the Sedgwick County Purchasing Department, 525 N. Main Street, Suite 823, Wichita, KS 67203, **on or before 1:45 p.m. CDT, Tuesday, May 19, 2009**. Responses must be marked with firm name and address, bid number and bid opening date. Late responses with insufficient postage or collect on delivery will not be accepted and will not receive consideration for final award. The time stamp clock in the Purchasing Department will determine the time of receipt.

To ensure that vendors have complete information prior to submitting a proposal, a **Pre-proposal conference has been scheduled for 1:30 p.m. Thursday, May 7, 2009**, beginning at 2330 N. Maize Rd, Suite 1100, proceeding to 200 W. Murdock, then to 2120 N. Woodlawn, Suite 370 and ending at 212 W. Greenway, Suite 12 in Derby. **While this is not a mandatory conference, we strongly encourage your attendance as this will be the only opportunity you will have to tour the facilities.**

All questions regarding this document should be submitted in writing to Kandace Johnson, Senior Purchasing Agent at email: kjohnson@sedgwick.gov and Linda Kizzire, Chief Deputy Treasurer, at email: lkizzire@sedgwick.gov no later than 5:00 p.m. CDT, May 11, 2009. Any questions of a substantial nature will be answered in written form as an addendum and posted on the Sedgwick County Purchasing website at www.sedgwickcounty.org/purchasing, under online services; current RFP's to the right of the RFP number and description, by 5:00 p.m. CDT, May 13, 2009. Vendors are responsible for checking the web site and acknowledging any addendums in their response form.

Senior Purchasing Agent

1. ABOUT THIS DOCUMENT

This document is a Request for Proposal. It differs from a Request for Bid/Quotation in that the County is **seeking a solution**, as described on the cover page and in the following Background Information section, **not a bid/quotation** meeting firm specifications for the lowest price. As such, **the lowest price proposed will not guarantee an award** recommendation. As defined in Charter Resolution No. 57, Competitive Sealed Proposals will be evaluated based upon criteria formulated around the most important features of a product or service, of which quality, testing, references, availability or capability, may be overriding factors, and price may not be determinative in the issuance of a contract or award. The proposal evaluation criteria should be viewed as standards that measure how well a vendor’s approach meets the desired requirements and needs of the County. Those criteria that will be used and considered in evaluation for award are set forth in this document. The County will thoroughly review all proposals received. The County will also utilize its best judgment when determining whether to schedule a pre-proposal conference, before proposals are accepted, or meetings with vendors, after receipt of all proposals. A Purchase Order/Contract will be awarded to a qualified vendor submitting the best proposal. **Sedgwick County reserves the right to select, and subsequently recommend for award, the proposed equipment/service that best meets its required needs, quality levels and budget constraints.**

Receipt of vendor proposals will only be acknowledged at the bid opening (no details or pricing will be read into record). After the evaluation process proposed base pricing for goods/services may be disclosed at the Board of Bids and Contracts meeting. Other information provided in your response will be considered proprietary and will not be divulged during the proposal evaluation process. Because purchases and contractual agreements of this nature require the expenditure of public funds and the use of public facilities, proposers shall understand that portions (potentially all) of their proposal (including final contracts) will become public record after acceptance of a proposal by the Board of County Commissioners. Accept our assurance that the information provided will be used for evaluating the ability of your firm to provide goods/services prior to award and will not be shared with any other persons not involved with the selection process.

2. BACKGROUND INFORMATION & OBJECTIVES

Sedgwick County, located in south-central Kansas, is one of the most populous of Kansas’ 105 counties with a population estimated at more than 470,000 persons. It is the sixteenth largest in area, with 1,009 square miles, and reportedly has the second highest per capita wealth among Kansas’ counties. The County currently has four (4) tag office locations, three located in Wichita and one located in Derby. The County is soliciting proposals from qualified firms to clean the carpets by water extraction at the Murdock Tag Office quarterly (4 times per year), at each of the substations bi-annual (2 times per year), and as needed for emergency situations. The County anticipates selecting one (1) firm to provide the services described herein, however we reserve the right to select more than one firm if that is determined to be the most advantageous solution for the County.

Approximate carpeted square footage of each of the four (4) locations to be cleaned is listed below. Most areas are carpeted, however there are sections that are tile covered and will not be included in the proposal. These areas will be pointed out at the site visits.

3. SELECTION CRITERIA

The selection process will be based on the responses to this Request for Proposal and any interviews required to verify the ability of proposer to provide services in accord with this document. 2. Past performance of proposed services, which will verify service levels and capability of the respondent to provide a thorough solution;
3. Proposing the services described herein with the most advantageous and prudent methodology to the County and the Tag Offices.
4. Overall quality and cost of the firm's proposal.

Those submitting a proposal do so entirely at their expense. There is no expressed or implied obligation by Sedgwick County to reimburse any individual or firm for any cost incurred in preparing or submitting proposals, providing additional information when requested by Sedgwick County or for participating in any selection interviews.

No negotiations, decisions, or actions will be initiated by any firm as a result of any verbal discussion with any County employee during the request for proposal process. Sedgwick County reserves the right to select the service(s) and/or provider(s), and subsequently recommend for award, the proposed services which best meets its required needs, quality levels, and budget constraints.

In submitting a response to this Request for Proposal, vendors hereby understand the following:

1. Pricing offered in the proposal document will be provided to other local governments and governments whom Sedgwick County regularly enters into agreements.
2. Alternate proposals (two or more proposals submitted) will be considered for an award. Sedgwick County reserves the right to make the final determination of actual equivalency or suitability of such proposals with respect to requirements outlined herein.

3. Sedgwick County will retain the right to reject any part of or any and/or all proposals received, or to accept any item or items in the proposal, if determined to be non-responsive in any form, or if determined to be in the best interest of Sedgwick County. It will further be understood that each responder's sureties and insurers are subject to the approval of the County.
4. Sedgwick County may award a purchase contract, based on initial offers received, without discussion of such offers. **A vendor's initial offer should therefore be based on the most favorable terms available from a price and technical standpoint.** The County may, however, have discussion with those vendors that it deems in its discretion to fall within a competitive range. It may also request best and final offers from such proposers, and make an award and/or conduct negotiations thereafter.
5. Sedgwick County reserves the right to negotiate separately with any proposer after the opening of this Request for Proposal when such action is considered in its best interest. Subsequent negotiations may be conducted, but such negotiations will not constitute acceptance, rejection, or a counteroffer on the part of the County.
6. Proposals may not be withdrawn for a period of 120 days following the opening of this *Request for Proposal*. Prices MUST also be free of duties, federal, state, and local taxes unless otherwise imposed by a governmental body, and applicable to the material on the proposal.

8. Envelopes/container containing Responses must be sealed and marked on the lower left-hand corner with the firm name and address, proposal number, proposal due date, and proposal opening time.
9. Sedgwick County interprets the term "lowest responsible and best bidder/proposer" as requiring Sedgwick County to: (a) choose between the kinds of materials, goods, wares, or services subject to the proposal, and (b) determine which proposal is most suitable for its intended use or purpose. Sedgwick County can consider, among other factors, such things as labor cost, service and parts availability, and maintenance costs of items upon which proposals are received. Sedgwick County can determine any differences or variations in the quality or character of the material, goods, wares, or services performed or provided by the respective responders.
10. All requested information must be supplied. If proposers cannot respond to any part of this request proposers should state the reason they cannot respond. Proposers may provide supplemental information, if necessary, to assist Sedgwick County in analyzing their proposal.
11. A purchase order and/or contractual agreement constitutes Sedgwick County's offer to the service provider upon the terms and conditions stated herein, and shall become binding for all terms set forth herein, when it is accepted by the service provider by acknowledgment or performance, and subject to the terms and conditions of the County to be memorialized by written agreement.
12. After the award, if the successful contractor/supplier refuses or fails to make deliveries of the materials/services within the times specified in the *Request for Proposal*, purchase order or contractual agreement, Sedgwick County may, by written notice, terminate the contract OR purchase order. The successful respondent will certify and warrant that goods, personal property, chattels, and equipment sold and delivered are free and clear of any and all liens, or claims of liens, for materials or services arising under, and by virtue of the provisions of K.S.A. 58-201, et seq., and any other lien, right, or claim of any nature or kind whatsoever.
13. The proposer responding to this proposal proposes to furnish all materials, labor, supplies, equipment and incidentals necessary to provide the equipment/materials/services described herein in accordance with the Notification of Solicitation (if applicable), Request for Information (if applicable), Request for Proposal, Addenda, Contract, Bonds, Insurance, Plans, Specifications, Mandatory Requirements and Conditions.
14. If a response to this Request for Proposal is accepted, the proposer agrees to execute and deliver to the County a contract in accordance with the Contract Documents (if applicable) within ten days of notice of the award to the Proposer.
15. If a proposer is awarded a contract, Domestic (Kansas) corporations shall 1) furnish evidence of good standing in the form of a Certificate signed by the Kansas Secretary of State. 19. Sedgwick County will issue a purchase order/contract for the acquisition of products/services specified as a result of an award made in reference to this document. Contract documents will be subject to any regulations governed by the laws of the State of Kansas and any local resolutions specifically applicable to the purchase. Any dispute arising out of the contract documents or their interpretation will be litigated only within the courts of the State of Kansas.
20. County reserves the right to enter into agreements subject to the provisions of the Cash Basis Law (K.S.A. 10-1112 and 10-1113), the Budget Law (K.S.A. 79-2935). Agreements shall be construed and interpreted so as to ensure that the County shall at all times stay in conformity with such laws, and as a condition of agreements the County reserves the right to unilaterally sever, modify, or terminate agreements at any time if, in the opinion of its legal counsel, the Agreement may be deemed to violate the terms of such law.
21. No prepayment of any kind will be made prior to implementation. Payment of the seller's invoices is subject to adjustment for any shortage, or for the rejection of any item or items.
22. Unless specified elsewhere in the document, all prices quoted must be F.O.B. County destination and will include all delivery, handling, and any other charges related to delivery including surcharges.

 - e. He or she will include the provisions of subsections (a) through (d) inclusively of this paragraph in every subcontract or purchase order so that such provision will be binding upon such subcontractor or vendor.
26. Sedgwick County is desirous of allowing as many vendors as possible the opportunity to participate including minority men and women-owned businesses, and small businesses in the roles of providing goods and services to Sedgwick County. If your company does not fall into any of these categories, your efforts to contract with vendors who do fall into these categories are appreciated. Construction projects utilizing subcontractors requires a subcontracting worksheet. Contact purchasing department for details.

A "Conflict of Interest" will include holding or retaining membership, or employment, on a board, elected office, department, division, or bureau, or committee sanctioned by and/or governed by the Sedgwick County Board of County Commissioners. Proposers will identify any interests, and the individuals involved, on separate paper with the response and will understand that the County, at the discretion of the Purchasing Director in consultation with the County Counselor, may reject their proposal.
28. No gifts or gratuities of any kind shall be offered to any County employee at any time.
29. The Proposer certifies that this proposal is submitted without collusion, fraud, or misrepresentation as to other Proposers, so that all proposals for the project will result from free, open, and competitive proposing among all vendors.
