REQUEST FOR BID
#09-0143
ANTI-ICING SLIDE-IN TANKS
Addendum #1

May 26, 2009

The following is to ensure that vendors have complete information prior to submitting a bid. Here is a clarification for the Anti-Icing Slide-In Tanks bid.

Questions and/or statements of clarification are in bold font, answers to specific questions are italicized.

1) Are the trucks already equipped with the Dickey-John control point in them or does each system need a complete Dickey-John control point in-cab controller?

Answer: All trucks have a controller in them.

2) Are there any specs for the sign other than the size?

Answer: The only other spec is that the sign should be orange with black lettering.

Firms interested in submitting a bid, must respond with one (1) original and two (2) copies of the entire document and all supplementary materials and **deliver on or before 1:45 pm (CDT), Tuesday, June 2, 2009**. Late bids will not be accepted and will not receive consideration for final award.

PLEASE ACKNOWLEDGE RECEIPT OF THIS ADDENDUM ON THE BID RESPONSE PAGE.
