The recommendation of Purchasing and Public Works is to **accept the bid from Scotwood Industries, Inc. for the initial purchase of \$42,000.00 and establish contract pricing for one (1) year with two (2) additional one (1) year options to renew.**

Liquid calcium chloride is mixed with rock salt and is used as a de-icer. It works by lowering the freezing point of water.

The 35,000 gallons requested represents an estimated annual usage.
