**ADDENDUM 2**  
**RFP #18-0078**  
**CONTRACTUAL SERVICES FOR AGING (SCDOA) TRANSPORTATION PROGRAM**

November 14, 2018

The following is to ensure that vendors have complete information prior to submitting a proposal. Here are some clarifications regarding the proposal for Contractual Services for Aging (SCDOA) Transportation Program.

Questions and/or statements of clarification are in **bold** font, and answers to specific questions are *italicized*.

- 1. Can you define “Priority” in Section V, Scope or Work, 2B “SCT customers shall be given priority service.**

*Answer: Priority does means that if an agent accepts the manifest (trips set at specific times), then yes, they would have to provide SCT customer assigned times/trips priority over any other trip requests. Again, this means that the agent has already agreed to provide a specific trip. Not something a request our schedulers just received, but something that has been agreed upon the day before to perform.*

Firms interested in submitting a proposal *must* respond with complete information and **deliver on or before 1:45 p.m. CST, December 18, 2018**. Late proposals will not be accepted and will not receive consideration for final award.

**“PLEASE ACKNOWLEDGE RECEIPT OF THIS ADDENDUM ON THE PROPOSAL RESPONSE PAGE.”**
