ADDENDUM 1
RFB #19-0058
3/8" CITY SURFACE MIX

May 28, 2019

The following is to ensure that vendors have complete information prior to submitting a proposal. Here are some clarifications regarding the proposal for **3/8" City Surface Mix** for **Public Works**.

Questions and/or statements of clarification are in **bold** font, and answers to specific questions are *italicized*.

Statement: Product description will no longer read 3/8" City Surface Mix (no recycled material) but is being requested henceforth to reflect 3/8" City Surface Mix (maximum 25% recycled material) in order to ensure product deliverability. Currently we've been receiving 10% recycled but the real intent is that we will take whatever the provider has on hand the day we order it as long as it's no more than 25% recycled material.

Question: Is this a Limestone product?

Answer: This is not a limestone product. This is non-specific hot-mix asphalt.

Firms interested in submitting a *bid*, must respond with complete information and **deliver on or before 1:45 pm CDT, June 11, 2019**. Late *bids* will not be accepted and will not receive consideration for final award.

"PLEASE ACKNOWLEDGE RECEIPT OF THIS ADDENDUM ON THE *BID* RESPONSE PAGE."
