Bid Rejection Notification

RE: RFP #19-0058 – City Surface Mix

Dear Vendor:

It has been decided to reject all bids for the above request. The reason is that after bid opening, it was discovered by Public Works that an open PO for 1,800 tons remained unfulfilled. The current RFB was for 2,000 tons, which is considered a one year supply.

Based on this new information, we will reissue this bid in approximately one year.

Please feel free to check our website periodically to obtain all current Requests for Bids/Requests for Proposals being solicited by Sedgwick County.

Sedgwick County would like to thank you for your time spent on this project. Your interest in doing business with Sedgwick County is appreciated.

Sincerely,

Josh Lauber
