Questions and Answers

Linda Kizzire: Have we used Traffic Control Services, Inc. for other projects?

Lynn Packer: Yes. Traffic Control Services is used quite frequently throughout the years. We are very familiar with them.

Russell Leeds: Just out of curiosity, who is the engineer that provides the estimate?

Lynn Packer: In this particular case, it was our Construction Engineering Manager, Daniel Schrant.

BOARD OF BIDS AND CONTRACTS MARCH 11, 2021

Granicus is the provider of the video streaming and archiving system used to broadcast and archive Board of County Commission (BoCC) meetings.

Notes:

The county has used this product since 2004 noted for its reliability and usefulness. It is used to stream live county BoCC meetings on Wednesday mornings with closed captioning and also is used to store videos for Board of Bids and Contracts meetings, BoCC staff meetings, any special meetings, and many department videos including Sheriff, Fire District 1, Emergency Management, and Human Resources to name a few.

The Sheriff's Office uses Granicus to store many of their training videos that are too big to store on their PowerDMS system. The county has various videos covering topics used by the jail for inmate information, LETC training, and other information to all the Sheriff employees.

Fire District 1 has many training and informational videos they use for employee education.

During COVID-19, Granicus was instrumental in getting COVID-19 training and information out to many departments about Personal Protective Equipment, how to stay safe around the public, and basic COVID-19 information.

Questions and Answers

Tim Myers: We have had this particular vendor since 2004?

Joe Currier: We have had this product since 2004. That is the notes I have on it.

Tim Myers: Joe, we have been extremely satisfied with the services they have been able to provide us, correct?

Joe Currier: Yes, no issues with them at all sir that I am aware of.
