- Sedgwick County Commissioners recognized the graduating class of Project SEARCH interns at their April 17th meeting. Project SEARCH is a program that matches school districts with businesses to provide real world work experience for students with IDD in their final year of school. The 2023/2024 school year is the 10th year Sedgwick County has partnered with Wichita Public Schools to host a Project SEARCH program.
- During the legislative session, Kansas legislators approved funding to remove 500 individuals from the statewide waiting list for IDD services. The SCDDO has been working to prepare for approximately 135 individuals
