Overview

The elected sheriff is responsible for the law enforcement segment of public safety within Sedgwick County. While some responsibility is with local municipal police departments, they do not carry out all of the same functions, such as civil process service, district court security, or operation of the Adult Detention Facility (ADF) and Annex.

The Sheriff's Office is composed of Sheriff Administration, the Law Enforcement Bureau, and the Detention Bureau. The Detention Bureau maintains the safety and security of all persons in the Sheriff's custody. The Law Enforcement Bureau includes Patrol, Investigations, and Judicial. Law Enforcement enforces criminal and traffic statutes, conducts criminal investigations, and provides inmate transportation and extradition. The Sheriff's Office also provides education and outreach via the Community Liaison and Community Policing Units.

Highlights

- In 2023, the Sheriff's Office, along with ten affiliate agencies, upgraded to a new Records Management System (RMS) and Mobile Field Reporting program while the ADF upgraded to a new Jail Management System (JMS)
- Increased recruitment and retention efforts led to a significant improvement in staffing

Strategic Goals:

- *Improve retention rates to strengthen the overall performance of the organization*
- *Recruit more qualified candidates to fill vacancies*
- *Provide transparent, consistent internal communications*
- *Ensure the Sheriff's Office is actively engaged in issues impacting public safety in the community*
- *Support employees to prioritize health*
- *Improve utilization of technology to meet staff needs*
- *Forecast and prepare for the evolution of the agency*

Accomplishments and Strategic Results

Accomplishments

The Sheriff's Office has continued to focus on employee health and wellness. The Wellness Unit provided a variety of training and resources for staff, including access to the departmental therapist position, Peer Support Team, financial workshops, and physical fitness training opportunities for employees and applicants. The Wellness Unit also implemented a mentoring program designed to support new employees as they begin their careers with the Sheriff's Office. Through these ongoing efforts, the Sheriff's Office has continued to see an increase in employee retention rates.

The upgraded RMS and JMS has improved the Sheriff's Office analytical capabilities to track crime and traffic trends in Sedgwick County and improves services provided to the citizens of Sedgwick County.

The ADF is undergoing a significant upgrade to the video camera system in the facility that will provide an increase in the number of cameras and the functionalities of the camera system to improve the safety of inmates and staff.

Strategic Results

The Sheriff's Office, guided by the strategic plan for the Department, prioritized the recruitment and retention of employees, resulting in a notable increase in both areas. Improved staffing has boosted employee morale, which directly improves the services provided to the citizens of Sedgwick County.

In 2023, the Sheriff's Office also prioritized internal and external communications as part of the strategic plan. Through the dedication of the Communication Specialist, Public Information Officer, Community Policing Unit, Community Liaison Unit, and the entire staff, a substantial improvement in both community engagement and communications within the Department was achieved. This included increased engagement with the community through social media platforms and a series of weekly informational videos to boost internal communications.

Significant Budget Adjustments

Significant adjustments to the Sheriff's Office 2025 Recommended Budget include a decrease in revenues (\$1,285,798) and expenditures (\$939,567) due to one-time increases in grants, an increase in charges for services revenue due to the addition of Prisoner Competency Fees (\$1,193,507), an increase in funding for increased inmate medical contract costs (\$234,993), an increase in funding for increased inmate meal contract costs (\$123,565), and an increase in funding for increased cleaning costs (\$64,848). Additional adjustments include repurposing 15.0 full-time equivalent (FTE) vacant Detention Deputy positions to 12.0 FTE Judicial Sheriff Deputy positions, 1.0 FTE Judicial Sheriff Sergeant position, 1.0 FTE Court Movement Coordinator position, and 1.0 FTE Administrative Support II position.

• Adult Detention Facility

At 1,226 beds, the Adult Detention Facility (ADF) is the largest jail in Kansas. The ADF is the only such facility in Sedgwick County and holds pretrial and committed inmates for all cities, the State of Kansas, and all Federal agencies. To avoid overcrowding, the Sheriff contracts with other Kansas Sheriffs to house inmates for Sedgwick County. These costs are reflected under the Out of County Housing program. Inmate medical services also are not directly included in the budget for the ADF, but are placed under their own budgeted program. The Sheriff's Office is a member of the Criminal Justice Coordinating Council (CJCC), whose goal is to reduce the number of inmates that have to be kept in custody.

• Out of County Housing

The current ADF capacity of 1,226 general and special purpose beds does not always have enough capacity to house all of the individuals placed in the Sheriff's custody. To avoid overcrowding, the Sheriff contracts with other Sheriff's Offices throughout the State to house inmates. In these instances where out of county housing is necessary, the Sheriff's Office also assumes responsibility for transporting these individuals back to Sedgwick County for all necessary court appearances or release.

• Opioid-Fentanyl Awareness

Sedgwick County was an early participant in litigation tied to the opioid crisis across the nation; the County then chose to be part of a State of Kansas litigation effort. Kansas has since reached multiple settlements with major pharmaceutical companies, distributors, and related firms. Through March 2023, Sedgwick County has received \$1,185,927.84 in settlement funds. They may only be used to “prevent, reduce, treat, or mitigate the effects of substance abuse and addiction.” On March 15, 2023, the Commission approved opioid funds for a grant agreement with the Wichita Crime Commission to support a targeted marketing campaign between the Sheriff’s Office, the Wichita Police Department, and the Crime Commission to educate middle and high-school students and parents on the harm from Fentanyl.

• Concealed Carry Grant

Effective July 2008, the State of Kansas amended the act under which persons may apply and receive a permit to carry a concealed weapon. One of the changes provided that such revenues collected by the Sheriff would no longer be deposited into the County's General Fund. The revenue must be deposited into a special fund restricted solely for law enforcement and criminal prosecution purposes. The Sheriff has pledged to use these funds to reimburse the costs of the Offender Registration Unit, as this unit provides the non-custodial fingerprinting services that are provided by the Sheriff's Office, which includes the concealed carry weapons licenses.

• State Drug Tax

Drug tax stamp revenue is a statutory "tax" assessed against the value of illicit drugs when illegally possessed and sold. The offender is charged with a "tax" and receives a decal stamp(s) showing taxes for the drug have been paid. These funds are provided through the U.S. Department of Justice and can be used only to supplement certain law enforcement activities as set out under Federal guidelines.
