Overview

The Office of the District Attorney (DA) prosecutes violations of criminal, juvenile, and traffic laws of Kansas; initiates proceedings to protect abused and neglected children; and secures care and treatment in mental commitment cases. Additionally, the Office appears before State and Federal appellate courts as well as the United States Supreme Court. The Office enforces the Kansas Consumer Protection Act (KCPA) and provides services to victims and witnesses to ensure fair treatment.

A core responsibility of the Office is the prosecution of offenders. The Office is also responsible for affording protection and consideration to the victims of crime and their families, all while ensuring compliance with the law and the ethical obligation to observe and protect the rights of the accused.

Highlights

- Over 2,300 criminal cases were disposed in 2023
- The office partnered with Office of Judicial Administration (OJA) and the local court to ensure a successful integration with the court's new Odyssey case management system
- The discovery unit processed and disseminated large quantities of digital evidence in 2023. Over 14 terabytes of discoverable information was provided to defense attorneys

Strategic Goals:

- Ensure fair and equal treatment in accordance with State law and prosecution standards
- Ensure offender accountability to crime victims and the community
- Maintain the highest level of professionalism in all aspects of daily operations

Accomplishments and Strategic Results

Accomplishments

In 2022, the District Attorney’s Office worked with the courts to create a new docket concept which would allow for the filing of more low-level cases and to quickly dispose of those cases. The resolution docket (RD) started handling cases in January 2023. By the end of 2023, the RD had been assigned 686 cases and 554 of those cases were resolved on the RD docket. This resulted in 514 convictions.

The Consumer Protection Unit obtained 14 separate civil judgements wherein cases were resolved and the business was ordered to pay fees, fines, and restitution for violations of the KCPA, totaling more than \$1,127,298.

Strategic Results

One of the DA’s strategic measures is to annually dispose of more criminal cases than are filed, thereby reducing the number of criminal cases pending. The target is to dispose of 1.0 percent more criminal cases than are filed each year. In 2023, 2,511 cases were filed and 2,321 cases were disposed, resulting in an increase of 190 cases or 8.2 percent.

A second strategic measure is to utilize the RD to expeditiously resolve low-level offenses and reduce the resources required to resolve these cases. The target is that of the number of cases assigned to the RD annually, at least 75.0 percent will be resolved. In 2023, 81.0 percent of cases assigned to the RD were resolved on this docket.

Significant Budget Adjustments

Significant adjustments to the District Attorney’s 2025 Recommended Budget include a decrease in expenditures (\$236,425) and revenues (\$97,416) due to one-time increases in grants, an increase in personnel (\$79,668) due to the addition of 1.0 full-time equivalent (FTE) Administrative Paralegal position, an increase in personnel (\$79,668) due to the addition of 1.0 FTE Trial Paralegal position, and a decrease in revenue (\$39,071) due to a decrease in fines and forfeitures.
