Recommend to accept the low bid from Don Hattan Chevrolet in the amount of \$24,200.00.

This vehicle will be assigned to the Stormwater Manager. It enables this engineer to conduct on-site inspections, monitor real-time river conditions, and respond swiftly in inclement weather to emerging issues to evaluate stormwater infrastructure and water bodies. When not in use by the Stormwater Manager, this vehicle serves other engineering staff to conduct field work and inspections.

Notes:

Fleet evaluates all vehicles and equipment up for replacement before requesting bids.
