

Important Information for Juvenile Diversion Applicants

Pursuant to K.S.A. 38-2346 and amendments thereto, the District Attorney of the Eighteenth Judicial District of Kansas has established an Immediate Intervention Program called the Diversion Program for Juveniles. Diversion is a privilege and not a right. There is no presumption in favor of diversion in any case, and the burden of persuasion falls upon the respondent to establish that a diversion will serve the ends of justice and the interests of the community.

Each applicant for diversion will have to accept responsibility for the actions, which brought them before the court. Accepting responsibility is the first step toward the goal of deterring the respondent from committing further illegal acts. The parent(s) or guardian(s) of the juvenile offender will be required to be a part of the diversion program.

- Please consult with your attorney or contact the juvenile diversion office to determine if you are eligible to apply.
- The applicant and a parent/guardian <u>must_appear</u> before the court on the date and time listed on the court summons. Completion of this application <u>does not</u> excuse you from your required court appearance. The application <u>will not</u> be accepted until you have made your first appearance in court.
- <u>Immediately following</u> the court appearance, the applicant <u>must</u> report to the diversion office located in the juvenile court complex, 1900 E. Morris, Wichita, Kansas.
- The application and \$25 application fee must be returned to the diversion office no later than 24 hours after the first court appearance.
- The \$25 application fee must be paid in the form of a <u>money order</u> made payable to the District Attorney. Checks or cash will not be accepted.
- If the respondent is charged with a drug or alcohol offense, additional instructions will be given upon reporting to the diversion office. Additional fees will also be required.

If you have any questions or need assistance in completing this application, please call the juvenile diversion office at (316) 660-9777.

I hereby apply for status as a participant in the Diversion Program and request that the District Attorney and the Court temporarily delay trial against me in order to permit consideration of this application. I understand it is my responsibility to submit a diversion application in a prompt and timely fashion and within the guidelines set by the District Attorney and that it will be my responsibility to seek any continuance in order to provide the necessary time for my diversion application to receive a full and complete review by the District Attorney's Office. I understand if the District Attorney's Office is required to make a decision concerning my application prior to the office having an opportunity to make a full and complete review, my application request will be denied. I understand that the final decision to commence criminal proceedings or to defer prosecution in my case rests entirely with the District Attorney.

I authorize the District Attorney's Office to conduct an investigation to determine my suitability for this program. I understand that all records that I have authorized to be furnished to the District Attorney's Office in connection with this investigation will be kept confidential.

I authorize the District Attorney's Office to discuss information relating to my participation in the Diversion Program with any participating mental health agencies, social service agencies, law enforcement agencies, treatment providers, school personnel or laboratories as deemed necessary by my diversion coordinator. A false answer to or omission of an answer to any question in this application shall be grounds for recommendation against placement into this program or removal after placement in the program, in which case, the District Attorney will resume prosecution on the original charges.

I understand and agree that in the event it is learned I have falsified or omitted any part of the Application for Diversion, including, but not limited to, my listing of prior traffic and criminal offenses, it shall be considered a violation of my Agreement for Pre-Trial Diversion and I may be taken off Diversion. I agree that a criminal justice report, including, but not limited to, a Department of Justice report, KBI report, Police Department or Sheriff's Department report, and/or Department of Revenue report, may be admitted as evidence in any court, without foundation, to prove prior traffic or criminal offenses.

I understand that failure to respond to any question will render the application incomplete and the District Attorney's Office will not consider the application.

I declare (or verify, certify or state) under penalty of perjury under the laws of the State of Kansas that I have personally read or have had read to me this Application for Diversion and responses given and that all information contained in the foregoing application for the Pretrial Diversion Program is true and correct.

I authorize the District Attorney's Office to conduct a background check of my past employment and school records and I authorize my present and previous employers and schools to furnish the District Attorney's Office with any information they request. I further authorize the District Attorney's Office to contact government agencies and agencies under government contract and authorize those agencies to release all information they possess about me to the District Attorney's Office. I further authorize the District Attorney's Office to contact my liability insurance carrier and authorize my carrier to release any information they possess about me to the District Attorney's Office. I further authorize the District Attorney to send directly to me all copies of material sent to my attorney. If needed, I may be contacted directly by phone or in person without first getting my attorney's permission.
