GENERAL INFORMATION

Kansas statute (K.S.A. 22-4908) allows for certain drug offenders to be relieved of their duty to register under the Kansas Offender Registration Act (KORA) after five years of substantial compliance with registration requirements. This relief is not available to violent offenders or sex offenders.

The Office of the Sedgwick County District Attorney reviews requests for relief. Cases prosecuted by this offense will be considered. In addition, certain out of state convictions may be considered for offenders registering in Sedgwick County (see Drug Offender Relief Out of State Form).

An offender requesting relief from registration must continue to register as required by KORA until an Order relieving the offender of the duty to register is filed with the court.

ELIGIBILITY

Pursuant to statute, an individual with a conviction prosecuted by this office is eligible for relief if they meet the following requirements:

- The offender is registering only for drug offense(s);
- At least five years have passed since the relevant date of conviction or date of parole, discharge or release from imprisonment, whichever date is most recent;
- During those five years, the offender has substantially complied with the requirements of KORA;
- The offender has not been convicted or adjudicated of a felony, other than a violation of K.S.A. 22-4903, within the preceding five years and no felony proceedings are currently pending or being instituted against the offender;
- The offender can demonstrate they are sufficiently rehabilitated based on their circumstances, behavior and treatment history; and
- Registration of the offender is no longer necessary to promote public safety.

DOCUMENTS AND PROCEDURE

The following documents can be used as a guideline in preparing pleadings for relief from registration. The forms include a petition, a personal information report and an order of relief. You can fill out the documents online and print to submit.

In completing the documents, please provide the requested information in the order listed. Your name must appear as it was written on the original charge. When you have completed the forms, please send them to the Office of the District Attorney at the downtown address.

Once the required records check has been completed and an attorney has reviewed your pleadings, facts of the case and your criminal history or background, a decision will be made regarding the appropriateness of relief from registration. If we agree to the expungement, our attorney will sign the Order and return it to you for further handling. You will then need to obtain a judge's signature and file the Petition and Order with the Clerk of the Criminal Court on the 7th floor of the Sedgwick County Courthouse, 525 North Main Street, Wichita. The Clerk's office will advise you regarding how many copies of each document that they require. You will be required to pay a filing fee.

If the reviewing attorney decides to object to the requested relief, then you will be notified and the documents you submitted will be returned to you. You have the right to file your petition with the court and set the matter for hearing before a Judge for determination of your eligibility for relief from registration. Should you decided to set the matter for hearing, please notify our office in writing no less than 21 days prior to the hearing date. That amount of time is necessary to provide victim notification as required by statute.
