Overview

The Courthouse Police Department is the safety and security provider and serves as law enforcement first responders for the Courthouse Campus and environment, the Juvenile Court Complex, the Ronald Reagan Building, the County parking garage, and the Ruffin Building. The Department ensures a secure, weapon-free environment for visitors and occupants of the courthouses through a uniformed police presence that performs entry screening, preventative patrols, and first response, including enforcing State laws and County resolutions.

To enhance the safety of the County, the Courthouse Police Department maintains a 24-hour Control Center which monitors County disturbance, burglary, hold-up, and systems alarms, along with video streams from multiple County facilities.

Strategic Goals:

- Prevent and respond to acts of violence at the Courthouse and Juvenile Court Complex
- Provide support for the Sheriff's Office and District Courts by securing the domestic courts, the protection from stalking, and protection from abuse dockets

Highlights

- The Fast Pass program is extremely popular with frequent business users of the Courthouse. At any given time, there are 350 active participants, which significantly reduces screening time. The Department has also received inquiries from law enforcement around the State who are interested in implementing similar programs
- The gun lockers, administered by Courthouse Police, checked 282 handguns for citizens in 2023

Accomplishments and Strategic Results

Accomplishments

The Fast Pass program continues to receive rave reviews from the lawyers and other participants who have a need to frequently conduct business in the Courthouses.

The Courthouse Police Department has standardized surveillance camera systems for Sedgwick County and serve as the subject matter experts on implementation of these systems for County divisions and departments.

Strategic Results

Courthouse Police's main priority is protection of the public, the District Courts, and employees by screening dangerous weapons from entering the often contentious environment of the Courthouse. In 2023, the Courthouse Police Department checked 282 handguns and seized or prevented 2,779 weapons from entering the Courthouse, thus helping to achieve safety and security within the Courthouse and County facilities.

The Department also focuses on providing support to the Sheriff's Office and the District Courts by securing the domestic courts, and the Protection from Stalking (PFS) and Protection from Abuse (PFA) dockets. These dockets result in many arrests as a consequence of court-ordered commitments.

The Sedgwick County Strategic Plan states that, on average, it will take a visitor to the Sedgwick County Courthouse less than two minutes to enter the screening magnetometer. The Courthouse Police has consistently achieved this measure.

Significant Budget Adjustments

Significant adjustments to Courthouse Police's 2025 budget include a decrease in commodities due to the purchase of uniforms and vests in 2024 (\$74,367), an increase in equipment for the purchase of a security scanning system for the courthouse lobby (\$45,000), a decrease in charges for services revenue to bring in-line with anticipated actuals (\$18,470), and a decrease in expenditures and revenues due to Department receiving an Edward J. Byrne Memorial Justice Assistance Grant (JAG) in 2024 (\$14,751).
