- During the month of January Sedgwick County Developmental Disability Organization (SCDDO) Quality Assurance Staff completed 3 day and 18 residential program visits.
- At the January Community Council meeting, Shari Brookins with Families Together gave an overview of the FAST Program. FAST is program designed to provide support to parents of children with disabilities to avoid unnecessary involvement with the foster care system.
- The proposed changes to the intellectual/developmental disability (IDD) waiver were also reviewed at the January Community Council. Participants heard pros and cons of each change. There was good discussion, particularly among parents and guardians of individuals with IDD receiving services.
- Goodwill announced it was closing their targeted case management (TCM) program January 13th. In response to this announcement, a meeting of all agencies providing TCM was held to coordinate a response and ensure timely transition for individuals affected by the closure.
