On the recommendation of Brit Rosencutter, on behalf of Fleet Management and Sheriff's Office, Anna Meyerhoff-Cole moved to **accept the low bid from CDJ Automotive, LLC dba Mainstreet of Lansing in the amount of \$463,950.00**. Philip Davolt seconded the motion. The motion passed 3 to 4 with Tim Myers abstaining from the vote.

These are pursuit vehicles so they must be able to perform at high rates of speed and maneuverability. The Sheriff's Office uses these vehicles to overtake speeding traffic violators, engage in vehicle pursuits, patrol the county, and respond to calls for service regardless of environmental conditions.

Notes:

Fleet evaluates all vehicles and equipment up for replacement before requesting bids.

Questions and Answers

Philip Davolt: Does this bid include delivery in Sedgwick County because I noticed this vendor is outside of Sedgwick County?

Britt Rosencutter: Yes it does. In our bid, we asked for a price to be delivered to Wichita.

Philip Davolt: Does this include the Sheriff marking as well?

Britt Rosencutter: I know it includes the police package. It does not include the actual graphics.

Philip Davolt: Lastly, if there's any warranty work needing to be done, does it go back to the original bidder or can that be taken to any dealership?

Beau Bergeron: It will go to any Chrysler dealer. We do all the vehicle setup. They add in the lights and the siren and the decaling in-house. So any warranty work on that part, we do but if it's the vehicle itself, it just goes to any Dodge dealership.
