I. About this Document

This document is a Request for Proposal. It differs from a Request for Bid or Quotation in that the county is seeking a solution, as described on the cover page and in the following Background Information section, not a bid or quotation meeting firm specifications for the lowest price. As such, the lowest price proposed will not guarantee an award recommendation. As defined in Charter Resolution No. 68, Competitive Sealed Proposals will be evaluated based upon criteria formulated around the most important features of the product(s) and/or service(s), of which quality, testing, references, service, availability or capability, may be overriding factors, and price may not be determinative in the issuance of a contract or award. The proposal evaluation criteria should be viewed as standards that measure how well a vendor's approach meets the desired requirements and needs of the county. Criteria that will be used and considered in evaluation for award are set forth in this document. The county will thoroughly review all proposals received. The county will also utilize its best judgment when determining whether to schedule a pre-proposal conference, before proposals are accepted, or meetings with vendors, after receipt of all proposals. A Purchase Order/Contract will be awarded to a qualified vendor submitting the best proposal. **Sedgwick County reserves the right to select, and subsequently recommend for award, the proposed service(s) and/or product(s) which best meets its required needs, quality levels and budget constraints.**

The nature of this work is for a public entity and will require the expenditure of public funds and/or use of public facilities, therefore the successful proposer will understand that portions (potentially all) of their proposal may become public record at any time after receipt of proposals. Proposal responses, purchase orders and final contracts are subject to public disclosure after award. All confidential or proprietary information should be clearly denoted in proposal responses and responders should understand this information will be considered prior to release, however no guarantee is made that information will be withheld from public view.

V. Scope of Work

Items listed in this section are requirements to completion of services under this contract. Contractor shall furnish labor, parts, material, and equipment necessary to perform the following:

The Sedgwick County Courthouse houses the 18th Judicial District Courts, District Attorney's Office, and support services for the administration of justice. Approximately 4,500 persons enter the facility each week and all visitors are subject to security screening for prohibited items. Currently security screening is the responsibility of the Courthouse Police Department, armed, commissioned police officers, and unarmed service officers. The Sedgwick County Sheriff is scheduled to absorb the Courthouse Police and its responsibilities on or before January 1, 2026.

In order to accomplish this, the commissioned police officers will be attending training to be assimilated into the sheriff's office. As a result, Sedgwick County is seeking proposals to provide unarmed security staff to supplement Courthouse Police personnel during the training period. It is estimated the supplemental personnel will be needed for a period of six (6) weeks with personnel needed Monday through Friday, with county observed holidays excluded.

The locations, hours of work, and number of personnel needed per shift are as follows:

Main Courthouse	525 N. Main	0730-1630	4 Officers
Juvenile Courthouse	1700 E. Morris	0730-1630	2 Officers

Security personnel will provide security screening services to include, visual inspection of items, operation of walk-through metal detectors, X-Ray machines, and handheld metal detectors. They will work with and be directed by members of the Courthouse Police Department and Sedgwick County Sheriff's Office. Security guards are expected to operate in a professional capacity with regards to interactions with clients and staff at all times.

1. Security Company and individual guards must be fully licensed or certified by the Wichita Police Department, **before** they can begin providing services at courthouse locations. All local requirements for licensing, certification and or registration must be followed and proof of such provided prior to services being initiated. It is expected the security company and all security guards will be fully compliant with all applicable sections of the Wichita City Ordinance 3.72, pertaining to regulations and requirements for providing security services within the city of Wichita. Security services will be performed by carefully selected and trained employees in conformity with accepted security practices and standards.
2. Training of security officers in the specific screening operations will be provided by Sedgwick County.

3. Security Company shall provide proof of criminal background check to include felony and child/adult abuse and sexual predator registry, and drug tests for each employee before services can be provided at any courthouse location. Company must provide a copy of each guard's license/registration, driver license, and a memo verifying the guard passed the required tests/checks.
4. All security officers will also be required to pass a local background check. Sedgwick County reserves the right to reject any employee at its discretion, who does not meet the background standards established by the Sheriff's Office, the criteria includes:
 - a. Excessive law enforcement contacts, not associated with employment responsibilities
 - b. Multiple instances of being a named suspect in criminal cases not charged
 - c. Voluntary associations with convicted felons, not associated with employment responsibilities
5. All security guards on site shall wear appropriate professional uniform while on duty, which at all times clearly identifies them as security personnel and not law enforcement. This uniform shall also be in full compliance with specifications of Wichita City Ordinance section 3.72.290.
6. Security guards will not be employees of Sedgwick County.
7. Security guards shall carry no weapons at any time on the premises.
8. The company providing the security staff must be available during staffed hours by telephone.
9. Security guards shall not be responsible for enforcement activities outside of the screening process, all enforcement activities will be the responsibilities of the Sedgwick County Courthouse Police and/or the Sedgwick County Sheriff's Office.
10. Since visual alertness is essential to the security guard's ability to perform listed duties, the use of handheld or electronic devices for the purpose of personal entertainment is highly discouraged. This includes the use of personal cell phones, computers, books, electronic reading devices, headphones, and video games, when these items are used for entertainment purposes. It is understood that occasional use of cell phones and/or computers may be needed in the course of conducting business.

Given that it is not possible to address each requirement and particular circumstance within this list of mandatory requirements, guards are expected to refer to and follow the direction of Sedgwick County personnel at each site and to use common sense and prudence in any situations that are not covered. It is the responsibility of the security guard to contact their direct supervisor or program management if there are any questions regarding appropriate interactions or how to handle workplace situations.

VI. Sedgwick County's Responsibilities

- Provide information, as legally allowed, in possession of the county, which relates to the county's requirements or which is relevant to this project.
- Designate a person to act as the County Contract Manager with respect to the work to be performed under this contract.

C. Evaluation Criteria

The selection process will be based on the responses to this RFP. County staff will judge each response as determined by the scoring criteria below. Purchasing staff are not a part of the evaluation committee.

Component	Points
A. Meeting or exceeding all solicitation conditions and instructions as outlined herein to include clarity, completeness, and comprehensiveness of the response.	20
B. Ability to meet or exceed all requirements and scope of work.	25
C. Proven ability to provide high quality service.	15
D. Qualifications and expertise	15
E. The most advantageous and prudent methodology and costs as determined by the county.*	25
Total Points	100

Assume the following cost proposals (**examples only**)

- A. \$50,000.00
- B. \$38,000.00
- C. \$49,000.00

Company B with a total price of \$38,000.00 is the low offer. Take the low offer and divide each of the other offers into the low offer to calculate a percentage. This percentage is then multiplied by the number of points available for the cost. In this case, 10 points are allocated to cost.

- | | | |
|---|---------|------------|
| A. \$38,000.00 divided by \$50,000.00 =.76 | .76*10 | 7.6 points |
| B. \$38,000.00 divided by \$38,000.00 =1.00 | 1.00*10 | 10 points |
| C. \$38,000.00 divided by \$49,000.00= .77 | .77*10 | 7.7 points |

Any final negotiations for services, terms and conditions will be based, in part, on the firm’s method of providing the service and the fee schedule achieved through discussions and agreement with the county’s review committee. The county is under no obligation to accept the lowest priced proposal and reserves the right to further negotiate services and costs that are proposed. The county also reserves the sole right to recommend for award the proposal and plan that it deems to be in its best interest.

The county reserves the right to reject all proposals. All proposals, including supporting documentation shall become the property of Sedgwick County. All costs incurred in the preparation of this proposal shall be the responsibility of the firm making the proposals. Sedgwick County reserves the right to select, and subsequently recommend for award, the proposed service which best meets its required needs, quality levels and budget constraints.
